ties of vice and criminality; unlawful affemblies, ber of citizens to rife to plunge the fword into. confpiracies, riots, thefis, plandering, defiruc-tion to property, burning houses and buildings, wide defolation, bloodshed and murder-

Were there no particular positive law against fuch enormous conduct, yet the reason and common fense of every man, would inflantly declare, that to be the most capital of all offences, which fifther at the very being of government, at the fifery and happiness of the great body of the people, by whom and for whose sake government I dery and happinels of the great body of the peor for delt originate there, it called public grievase; ple, by whom and for whole take government and finally the Conflictation itself in the GREAT-and the conflictation have been to folemuly infiii.

EST GRIEV ANCE OF ALL, in a number of the big with the most fatal mischiefs, which tends the most fatal mischiefs, which tends the most fatal mischiefs, which tends the most provided to be the most necessary butwarks of to bring on evils and horrors of civil war, and to liberts. he hig with the most fatal mischiets, which tenus to bring on evils and horrors of civil war, and to liberty.

Now to find fault with events which depend that this is treason, and to be punished as such, only on the course of Previdence; to complain must be the fundamental law of every society.

A six the rafe of an individual, when a different misching the rafe of an individual, when a different misching the rafe of an individual, when a different misching the rafe of an individual, when a different misching the rafe of an individual of the rafe of the ra

men, to interfere forceably in matters of fuch high importance; having eftablished a fufficient power for these purposes in the great Representative Body of the people, whose duty and business it is expressly made, by the 22d article of the bill of rights, "Is a greatle frequently for the "rederly of grievances," for corrections, strength of the property of the pr

good may require. Bur as, of all this the Conflitution makes the Legislature the proper Judge; if some laws fass, not the entire approbation of every individual, as must ever be the case, the nature of government

annual, while they feek not to perpetuate them-felves in office, nor lay burdens of their confli-tuents, which they do not bear themfelves. The wifelt of men may be milaken, for a time; but a millake can never warrant the

ple arms, whenever they think them felves aggriered, while they have their own Representatives to apply to, for redrefs; if ellabilitied into a primciple, would from furrert all free governments, and entail endless confusion and miferies upon

For fuch is the difordered flate of the human Por tech is the diordered trate of the auman palifons, that there never will be wanting men of boundlefs vanity, as well as artifice, ready to moroil public affairs, for their private interest, capable of diffusing the most felss, ambitious and extravagant designs under the specious pretending the most end of the state of the st perhaps urged on by refernment at neglect of their imagined ment, or at deferred punishment for past misconduct; who will be seeking to asne the reins and to make themselves the mafters of the government and people."

among others, of leftening the expenses of go, vernment, but in reality, to the great injury of all good and peaceable citizens, and to the increase of the public burdens and expenses, is too

fentarives, or their zeal to promote the welfare of the people, as far as lies in their power; notwithflanding the Courts of law have proceeded, according to their ability, with the fame regula-rity, as heretofore; yet strange to rell! A rebellion has forung up in the course of a few months, with force of arms and a high hand, to flop the whole course of public bilice ; insulting every fubversion of the Constitution, and everrun,

however chimerical the idea) the whole Continent.

And had it been left unrefifted a few months former, it must, like a torrent, have yathered freing them bold to increase and heap up by defenting them it is progress, bearing down all before it; producing parities, feuds, bloodhed and deventing them to the progress, bearing down all before it; producing parities, feuds, bloodhed and deventing them to the producing parities, feuds, bloodhed and deventing them to the producing parities, feuds, bloodhed and deventing them to be held tacred by all honest men, women and children, as generations yet.

It is of prime importance, that every member of to men, women and children, as generations yet.

10 M

the bowels of their country, but just emerged from blood, and from a long diffresting war?

Various are the pretences for these horrid treasons. 'I'is said, burdent are insupportable-taxet to be to be borne-hard costs force, and a debreisating currency necessary in discharge private debts and public securities—the expinees of government excessive—the Common Pleas, because suits

of what a King's Governor used to receive.

And when it is confidered that the whole annual natural section and elements of a serious of civil government carrot, according to the present mode of assessment, amount the idea of pardon, holdly and openy prepare to And when it is confidered that the whole annual expense of ciril government corned, according to the prefent mode of affellment, amount to fixteen pence upon the poll, as We are afforced by the General Court in their afferds to the peoe, it cannot be the object of any reasonable

Taxes, however, must be allowed to be heavy. but arising from the expences of the war; which we all in general, in the beginning, pledged our must ever be the case, the nature of government we all in general, in the beginning, pledged our impossible for all men to unite always, precisely, in the same sensitives from arbitrary foreign dominion. The leaders indeed, still endeavour to assert the same sensitive for all men to unite always, precisely, ourselves from arbitrary foreign dominion. The lowershow government, but only to regalate in thorst, there never can be a color for rising plain than those sainful citizens who therefully in arms against a free government, such as ours went forth in support of real liberry and the case when the clession of our Representatives is Constitution; all the inhabitants of the Comradual, while they seek not to perpetuate themselves in office, nor lay burdens of their constitutions which they do not bear themselves.

How prepotterous for men to defert their bu-The widett of men; may be mittaken, for a time; abut a militake can never warrant the codangering the peace and fafety of a whole people.

The widett of men; may be mittaken, for a time fail and their families, and for more time fines and their families, and for more time full confusion and mifery a mone their fellowerites to take the more time fail and their arranges of taxes? It is typoffic. ble that in a civilized, christian country, any should be so untaught in the ways of virtue, so unfeelling to the bleffings of fociety, fo given up a prey to the most rancorous, malevolent,

If this necessary public burthen can be miti-gated consistent with the public safety, we can have no doubt of relief from our representatives;

But are we not to look to very different causes for the source of infarrection? to the incumignorance and incapacity are near a balance to unfit to be induged in fociety? to diffionelly it to define the wicked and turbulent paffions, in the prevention of mifchief. into the wicked and turbulent passions, in the prevention of mischies.

That a rebellion, as foolish and rash, as wicked and unprovoked, has arrien and pervaded to importance, in contempt of the regular sufficients.

The prevention of mischies are the provided and the provided among others, of less than the prevention of the provided and the provided among others, of less than the provided and creale of the public burdens and expenses, as no notificious to need particular proof.

Notwichtsanding we enjoy as free-a government, as any perhaps in the world, and can have arfenal; from the public attack upon the public no reason to doubt the integrity of our Representations of him who called hundless their chief. of bringing the Supreme authority of this Com-

monwealth to his leet?

And although all may not have been actuated with equal malignity, yet the whole buffners conflictings fuch a collection of crimes and errors, as if not frasonably checked and corrected, might have proved faral to the Commonwealth.

Our difficulties originate, partly at leaft, from a want of virtue, from a want of those effential republican virtues of frugality and economy,

dence, to discharge his just debts; like the ondence, to offenarge majore nears; like the on-ginal Hollanders, who, as Sir William Temple Informs us, from the highest to the lowes, mide

informs us, from the highest to the lowest, mide it an invertiable maxim to live within their incomes. Had that been our case, we should not have heard of the late confusions.

Evil minded persons, leaders of infuspents and their abertors, taking advantage of those treshless and the embarrasiments which some have been thrown into by missorume, but more prehaps by missorume, but more prehaps by missorume and faithoods without now. naps by miconduct, have by bold inhammatory mifreprefentations, and fallhoods without num-ber, continued to infufe into the minds of welbet, continued to find the most of well meaning people (who have not opportunitet to be fully acquainted with public affairs) to infide into their minds uneafuefs and jealouffer againg into their minos uncanners and Januaries againg government, against their own representative, against all Courts of Justice, as being the cast

levy an army and wage war, in form, again the Commonwealth, to bring the whole govern-ment and all the good people of this State, if or Continent, under abiolute command and fetjection to one or two ignorant, unprincipled,

bankrupt, desperate individuals.

The leaders indeed, still endezvour to affere

my, powerful enough to controul the State, that he ever refigned that power for the people to continue a free government, and to fubjected himfelf to trial and punishment for the map mischiefs and murders, which he had brought upon has fellow country men?

Things thus critically fituated, his Excellency the Governor found himfelf obliged, without further delay, to exert the power welled in him by the constitution, for the special defence and faftery of the Commonwealth, by calling forth, the faithful militia to (upprefs those wars attempting its annovance and defendion.

attempring its annoyance and defination.

The inturpents in purfuance of their malicies intentions and general meditated mitchief, aim a direct blows nothing left than the Configuration. nor only in justice to their characters, but even a direct blowse mothing lefs than the Contrement of preferre decency to our ewn, in their choice.

Nor indeed can we imagine any fer of men formed upon principles fo abfurd and repugnant to nature, as to be capable at once of counteraction of the country o mander. You know the event. By the foll and cruelty of their leader hurrying them in the mouth of the cannon, without the least property of fuccess in their treasonable emerging.

troops, both officers and men, who, ftimulated by noble and virtuous principles, and diplating every talent and resolution of the General and every talent and refolution of the General and the foldier, at the fame time preferring in all marches, the firitlest regard to the rights of private civizens, did, in the course of a few weth, take or diffigure the whole force of the inforgons, and that without blood-shed, but in a few inflances, where they madly ruthed upon their farm most of them fince pladly imploring that mert, which they before flighted and rejected; while form of their principal leaders, fensible they had doubly forfeited their live, to their injured contry, have fled, not carring to remain and find its trial.

Thanks also to the worthy particip citizen

Thanks also to the worthy patriotic citizens of this and the other counties, who have nobly exerted themselves in defence of the Constituexerted themselves in defence of the Contine-tion and the rights of citizens, against abandon-ed, lawless men; against every threat to intim-date, and every attempt to corrupt their integrity or shake their loyalty.

The Legislature have been pleased to approve

in the throngest terms, the exertion of his Excel-lency, and to affure him of their fully concurait; producing parties, tends, blooding and develope and whiever or near lacred by all nonell men. lency, and to affore him of their fully concerns and children, as generations yet for its men, women and children, as generations yet for its men, women and children, as generations yet for its many for reflecting to lament, but not be able to get rid of.

What fatal delusion could impel such a numerate whether the product of their readings when the product of their readings when the product of the product of their readings when the product of the product of

end no doubt we are ready to implore the of Heaven on the public meafares, for the full accomplishment of those falutary pur-

what now remains, but that we also, in our ferral places and offices, faithfully discharge our ry; which is the only fecurity in fociety that man can have, for his property, his liberty,

SAVANNAH, April 26. ONE of the five both gages, pireo by the Creek facians for the performance of the treaty bed with this flare in November last, has put an end to his extitence by hanging himself; and there is the greatest reason to think we shall in-

hear-one, Philadelphia, Carliffe, and at Virgia-bia, and that he account with the board of grea-iny for the proceeds of the fales.

Addires from Philadelphia-of-Saturday dafterments, that the Naval-Officer, of that porf has fexed afhip belonging to Mr. Clifford, merchant, or that city, for having a quantity of perser and other criticles on board not duly entered. This fexure is salted at freed.

oher orticles on board not duly entered. This ferms is valued at 2500l.

By accounts brought in the floop Charles, Captain White, arrived on Monday from Nor-folk, Virginia, we are informed, that a Spanish redd had put in to that port in diffress, having on board Lixty Thousand Dollars, defined, for Balamore, Maryland, and there to purchase velocities and load floor for the Spanish ports:

We team that the neferts a larging thustion

diamone, Maryland, and there to purchale veffeiand load flour for the Spanish ports:

We learn; that the present alarmings situation of public assist; induced a large number of the inhabituants in the northern parts of Effex, county, New Jersey, to assist on the purpose of appointing a committee, to take the same into serious conferencion, and to concert measures for the subject of government, and welfair of the committeet of programment, and welfair of the commentity. That a Committee confishing of 12 serious conferencies agreement, chose stage and saving met persuant to agreement, chose stage bardening of the committee of the and their representatives, &c. Fourier Ar-folds, purpointing their several grievances, were here entered into—of the state of their spances, —st the state's circlicates, and of the dargerous consequences of the practices of the speculators respecting them—of the practices of practicions that the law—of laws that ought to be, and has that much not to be—of avaitatio—of the th of the law—of laws that ought to be, and laws that ought not to be—of exation—of the encouragement of agriculture—of manufactures—of flate located land; &c. The committee allo beg laws to observe, that they are actuated by no other motive than the general good, and bombly hepe; for far as their mediures appear to be diffaired by hepesales and are everymed. by reason, justice and the principles of the condeuton, they will obtain, nor only the approof every friend to the flate.

LITCHFIELD, May 21.

to off, accompanied by the Sheriff and one of his tack, of Greton, for Tecsion, who was convided, and food narrefled five perfons, who were supposed to be the principal actors and abstroat in the insurection, viz. Dr. John Huibert, Dr. John Barras, William Mirchell, (who was fail to act as their Caprain) Herekinh Priffue, and John Lord; all of whom (excepting Barras, who was permitted to remain on account of illness) were conducted to, and safely tectors.

Ideams for the performance of the treaty to all as their Captain) Hezekish Erifine, and when the with the face in November last, has put an John Lord; all of whom (excepting Barns, who end to his existence by hanging himself; and here is the greatest reaching to the think we, shall inverse conducted to, and facily lodged in our grad, on Saturday last, in order for examination.

PHILAD ELPHIA, May 22.

A few days ago, in Third-Street, a young consons, who had made two free with a botte, basing flaggered after a lacy of delicate dreft and shape, for fome distance, at length laid, hold of her hand, and peeping under her large bar, to the last weight of her he did not like her fo well before as behald, the word of the heart of a kifs; to which the lady replied, with all my heart, Sit, if you will do me the farout to kifs the part you like beft."

NEW-YORK, May 24.

In Congress, April 27, 1787. Refolved. That the board of treasury oe, and they are hereby submified to countach for three bundered tons of copper coin of the fee terral standard agreeably to the proposition of Mr. James Javis; provided that he premium to be allowed to the Unived farse on the account of copper coin contracted farse he expectice of the countractor, but under the original archives which united near the heart. It had become heart and only four legs, and these, with farse to the contract of the contractor, but under the information of the contractor of the contractor, but under the information of the contractor of the contractor of the contractor, but under the contractor of the contractor, but under the contractor of the contractor of

favour to kils the part you like befa."

NEW BURY-FORT, May 16.

In Congrefa, April 25, 1787. Refored, That the board of treadury to e, and they are hereby submilled to contract for three hundred to a of coper coin of the fare teral flandard agreeably to the proposition of Mr. James Javis; provided that the premium to be allowed to the United States in the account of copper coin contracted far, be not left than fifteen per cent that it be coined at the expected of the contractor, but made the infortion of an etheer appointed and publy the United States, Sec.

In Congrefa, April 22, Refaired, That the prilege of lending and receiving lowers and packets, free of poltages, be extended to the members of the convention to be held in Philadelphia and lectoned-boundary in May 16.7, in the forestary at wat direct the commanding officer of the troops of the United States on the Onio, to take immediate and efficient measures for different and authoritied manner taken possessing the production of the United States on the Onio, to take immediate and efficient measures for different manural and authoritied manner taken possessing the production of the United States, and that he employ the whole or such part of the tweet under his command, as he shall judge mecking the or such part of the tweet under his command, as he shall judge mecking to effect the behighed.
