Nomore the lambs with gamefone bound, Shall charm the glad ning fight, No nore the gay enamell d mead, And vylvan feanes delight. This Ethelinda, much low d Maid, Thise getter than the control of the c Thine early charms most fail: The lillies droop the rofes fade, AndWinter foon prevail.

Again the I ark fiveer hird of day. Shall mount on active wing, Again the frontive herds may play, And hall re viving fpring:— But youth my fair, fees no return, Its pleating profpect's o'er; In vain its fleeting joys we mourn, It falls to bloom no more.

Then hafte dear girl your time improve, : Which art can ne'er regain. In blisful feenes and mutual love. With fone diffinguiffed fwain:

So shall life spring like gladning May,
Pass smiling and fefene,
Till sommer, Automa, glide away,
And Winter close the scene.

Pals fmiling and force,
Till semi-ter, Automa, glide awzy,
And Winter clofe the feene.

L. O. N. D. O. N. September 6.

Ey-letters from Anterica we learn, that Mr. Adams
and artivel ar Boffony-and lead been received with extra-radinary public arteflations to his worth by his
Country men. Haded his public transfactions have been
conducted with 6 much judgment, fpirit and addrefs,
that he character will rife in the election of an impartial
public the roote it is confidered. In Spain, France,
England, and Holland, heway well received, an there
is realon to beleive hefucceded in all his public defigas. The treaty councluded between the United
Stayle and Fraffia, is formed on principles divulged
three thouland vears ago by Plato, but never carried in
to execution till the prefent time, by the virtue of three
some in and is now a model for other States to follow;
which principles war may be prevented, or at leaf;
the horrors of it eliened, and mankind become more
homalized.—Mr. Adam's name flands first inthe commillion to treat with Fruffia, and in all others to treat
with Europe and Africa. Mr. Adams was feveral
times in Holland, and greatly ellenaed and respected;
and by his own weight and confequence obtained a
large public loan from the States General;
he was not permitted by them to leave Europe without
taking his leave, for which he wentfrom England on purpose and receiving from the States and the stay of the
hewas not permitted by them to leave Europe without
taking his leave, for which he wentfrom England on purpose and receiving from the States and
inflation of their ellers and regard. In all
the places he reflect in, he lived with dignity, and
somplicity, teconing the character of the Republic he
represented, and when at his own regard. Brailing, rich
and medals of a very confiderable value, as a
public tellimon of their ellers and regard. In all
the places he reflect in, he lived with dignity, and
somplicity, teconing the character of the Republic he
represented, and when a his own regard Brailin

mater himoretions the conference of the enormous increase of the power of the circum, from which the balance in the English government, though wifely conflituted, is in danger of being totally delitored, as the remedy is not focation and the remember of the times were changed; but the new Convention of Amerika, frems, from this apprehension to have wifely guarded the election of the Prefident of Congress, and Innitred his existence; the people preferring to themsilers the right of new modelling their garenment every third year, or rectifying abutes.

To their important refarences, for the public fervice, eld Mr. Adams dedience his time, of which he now enjays fand may be long; I one bodion of his country, the heart-felt faits action of having done his duty, whereof all America rings from fide to fide.

Worceffer, Nevember 17th, 1788. PROPOSAL
