17 Thefe will a * prefixed, were not of the Hunble House the last year.

U .

On Friday, at 12 o'clock both Houses being met in Covention, His Excellency the Governour, and His Honour the Lieutenant Governour appeared to qualify themselves agreeable to the Confiltenan—and His Excel ency addressed them as follows:

cel ency addressed the man follows:

Gentlemen of the Senate, and

Gentlemen of the Senate, and

Gentlemen of the They of Representatives,

I thank you for the very politic and respectful manner in which you have notified me of my being chosen

Government of this Commonwealth the year enfaing.

I appear in this place to accept the rend affigued meby my country, and am ready in your presence to
make and substribe the declarations, and to take and
substribe the oaths provided by the Constitution.

It is tunnecessary for me to fay any thing more upon
this occasion, than to assure you, that I shall zealously
medawour, in all my conduct, to justify the partiality
which has been frequentiate exhibited by my fellow cittices towards me.

JOHN HANCOCK.

Boston, May 78, 1750.

Bofton, May 28, 1790. His Excellency then rook the oaths, and fobferibed the declaration required by the Conflictuion—The Secretary then proclaimed His Excellency TOHN: HAN-COCK, Efquire, Governour of the Commonwealth of

His Honour the Lieutenant-Governor then address-

the Honour the Litericanic Governor then addressed the Convention as follows:

MR. PRESIDENT,
Having been regularly informed, that a majority of the late electors in the feveral towns and districts within this commonwealth have honoured me with their fuffinges for the effect of Lieutenant-Governour, I now prefent myfelf before the two branches of the General Court, to be qualified as the Conflitution directs. I do the more readily obey this repeated call, because I can sor help flattering myfelf that it has proceeded from a periasion in the minds of my fellow-citizens, of the attachment of my heart to their rights and liberties, and my counted factors than the minds of the my counted form a periasion in the minds of my fellow-citizens, of the attachment of my heart to their nights and liberies, and my earned defires that they may be perpensated. My fellow citizens may be affered, that I feel that attachment, and the fitnength of whole defires. The first of my withes as they relighed this life, is for our country, and the bek of my rebule abilities thall ever be employed for her professity. I shall presently be called upon by you, Sir, as it is enjoined by the Constitution, to make a declaration upon oath, and I shall do it with cheersfuncts, because the injunction accords with my own judgments.

Joined by the Committeen, to make a declaration upon onth, and I shall do it with cherefallness, because the injunction accords with my own judgment & conficience that the Commonwealth of Massachusters is, and of right ought to be called upon to make another declaration, with the same foleunity. The lapport the Constitution of the United States. I feel the consistency of this for it cannot but have been intended, that these Constitutions should murually aid and support each other. It is my humble opinion, that while the Commonwealth of Massachusters maintain her own just authority, weight and dignity she will be among the firmest pillars of the Federal Union. May the administration of the Federal Government, and those of the several States in the Union, be guided by the unerring singer of Heaven. Each of them, & all of them united, will then, if the people are wife, be as prosperous at the widdom of beginn missiations and the circumstances of human society will admit.

Bester, May 28, 1790.

Beffon, May 28, 1790.

Beiten, May 28, 1790.

After which the Preident administered the nitual declarations and oaths—and the Steretary made the like proclamation as in the cafe of the Governor.

His Excellency and his Honour, then withdrew, and and the two Houses proceeded to appoint a committee to collect, for and count the votes for NNEC Councillors to affift the Governor in the exercise of the Executive power—who reported that the following Gentlemen were chosen.

Hon. AZON ORNE, Ed.

WALTER SPOONER, Ed.

WALTER SPOONER, Ed.

EDWARD CUTTS, Ed.

EDWARD CUTTS, Ed.

EDWARD CUTTS, Ed.

EDWARD CUTTS, Ed.

WILLIAM HEATH, Ed.

JOHN HASTINGS, Ed. and,

ERENEZER BRIDGE, Ed.

The Hon. Walter Spooner, and Nathaniel Gorham, Efquires, having declined accepting feats at the Council Board, the Legislature proceeded to fill the Vacancies, and made Choice of the Hon. Thomas Ruffel, & Thomas Dunfree, Equires.

The Rev. P. STILL HAN 1, and all Col.

es, and made Choice of the fron, I nomas Rubes, as homas Dunfree, Esquires. The Rev. Dr. STILLMAN is elected Chaplain to The Kev. Dr. STILLMAN is elected Chaplain to the Legitlature for the enfaing Year.

The whole Number of Votes for Governour of this Commonwealth for the Year enfoing, were 16,518 10f which Number his Excellency John Hancock, Eq. had 14,282.—And for Lieuteuant Governor, 14,656, of which Number his Honor Samuel Adams, Efg. had 114,221.

LONDON, March 23.

Extrate of a letter from Bregist, March 19.

The depredations committed by the Capens daks age are of the most alarming nature, and contame the most unabating violence. The true cause hore at length transpired, & will it is hoped thordy parts the way to quell it.—The flatts, drading the nonzhaparity of the democratisk party, as their like in interer passed and infligured a smooth or take of theirs of all those intimical to the interest or amission effort their afforms members, and have themselvers in

ionuce raifed and infligured a mosh to take off their of all those infinited to the interest or and airos affer of all those infinited from the control for their applicits of their applicit of their applications and the state of their applications the control for-the-volunteers to rear perfectly inactive, and not to fire, unless perioadis tacked. Several bouts, shave been entirely densities and a fill greater nomber threatened with definition and a fill greater nomber threatened with definition fortunately efeaped to Ghent, at a time when this ditti were preparing gibbers. For them: one or to others, lefs inacefstal, lost their lines when this ditti were preparing gibbers. For them: a new at problems, lefs inacefstal, lost their lines in the attempt. "Should their oliopiders continue, as at problems is the content of the content of the content of the province of Flanders have come to a refolation market by the activity war mull be thelinevitable frequence.—The Prieds, prome to inficinf by his another the content of the content of the province of the soon florins yellerday diffinited the flatter among the vagabonds of the tows. Of mass has been performed with its usual foleanity, the exposition of the heads of the denoteratic per and, I believe, the Capuching would not force the provinces have begun to mormar on account of the provinces have begun to mormar on account of the provinces have begun to mormar on account of the profits. The valley of Adote has made force carefy.

provinces have begun to mormor on account of the poffs. The valley of Aofte has made fome earns remonstrances, which are likely to be enforced by thousand men in arms.

ST. J O H N's, (Antigua.) April 14-By a gentlemen from Earbadoes we have been youred with the following intelligence: —On Su the 28th ult. arrived at that place, his majely a gate Pomena, commanded by captain Savage, from coafiof Africa, on which flation Fe had between forme diffute arising at Serra Leon, between the derivation of the arising at Serra Leon, between the derivation of the arising at Serra Leon, between the derivation of the arising and a least result of the arising and a least result of the arising and a least result of the arising arising and a least result of the arising arising arising and a least result of the arising the detachment, and drove the traders from the port.

HALIFAX, April 22.

Extract of a letter from Quebeck, Feb. 1790. from which trede Great-Britain derives her principal revenue in this province, though it is not always equal-ly productive.—This object is greatly covered by the le of the States ; but whenever it thall fall into people of the States; but whenever it that I tail muother hands, they will be very much disappointed—for a spirit of rivallship will lead adventurers into such schemes if competition, and opt bidding of each other, as will eventually juin the trade—and as to any advantage; would be to their government, I can conceive of none.—Dur merchants under the structure frequencing or of the futures, by that our government can impofe, are often futerers by their fpeculations in this buffness. With respect to re-linquishing the I polts see no symmom of 11,22.

WINCHESTER, May 12.

Extract of a letter from Kentucty, April, 19.

"By means of a communication troat the College that by way of Combittiond, we are informed, that as major Doughty, with a detachment of continental troop, was according the Tentice, not far below the hairfels should be received a rate from the thore, from a party of Creek Indians that were laying in animoleade, there is no constituted that the reserved the state of the contraction of the contractio a party of treet indiantitate were laying in annulcade, and that it was conjectured that the map or was fallen, as he was observed by founce fither rise addy Indians on the opposite finer to fall; the boar immediately retreated down the river. The Chickasawa further add, that the Major on his arival at the mouth of the Tenardee, had dippathed a mellenger to their towns, and dan the had received an answer from the chiefs by three moners, two of whom were accompanying him up the Tencies which the above unlucky addir happened, and by whose means we receive the intelligence.

HILADELPHIA, May 29.

Our country can never expect to flourith, or rife to ice, while her citizens remain under the baneful coinquee, while her citizens remain under the baneful influence of RUM. Though its permeons effects have been repeatedly pointed out, the confumption of it continues in an alarming degree. Cughe-not-the-legiflaturers lay aduly upon-it-which would amount to a total prohibition? Such an act would entitle them to the thanks of all the friends of virtue and mankind . X-un may almost dispair of any thing else being effectual in putting a slop to the dangerous and detectable vice.

ELIZABETH-TOWN, May 26.

Extrad of a latter free Landon, Feb. 15.

"It begins to be questioned whether the expense of bringing Mr. Haitings to punshment for his abuse of power in India, will not be greater than the object, is worth. The charges against him are near 2000, confequently the expence enormous and beyond the bounds of ranonality. Two fellions are already palled away in hearing the evidence in proof of two articles only, and part of another. By analogy it will take 16 years to go thro' the profecution; and three yearstmay be added to this for defence and replication. Mr. Haifings is now upwards of 56 years of age, fo that should his life be protracted to 70, he cannot fee the end of his risk.

N E W - Y O R K, May 29.

The Ship Harmony Capt. Willet is arrived at Philadelphia from Bengal.—Accounts from the East-Indies State—there is a most pleading prospect of a plential harrell in that part of the world—that the English ferdements enjoy a-profound prace—that the greatest part of the treatore on board the Vansittattone of the Latiof the treatore on board the Vanfittant one of the Lat-India company's Ships lately loft, had been recovered from the wreek—that the flip Durbam Capt. Kepling; and another flip were loft in a gale of wind, founder-ing in the road—that Tippos Sultan to punish the faults of fome of the tributary Princes land de-populated and laid waste their country from Belipatam to Callicut, an extent of 80 or 90 miles, where the late postetions of its fields and habitations are feen no more.

NEW-HAVEN, June z. Wednefday laft, in the afternoon, a rape was committed on the body of a white girl, about 14 years old, afficient on the pony of a write gent, about 14, 1441 on, by a tradition argen, god about 10. The infantous aff was perpetrated about two miles from this city, on Milliard road, attended with circumflances too hornbuttond road, attended with circumflances too horri-ble to relare. The unhappy girl was with an elder filter, (coming to town) on whom he intended to commit distributed purpose, but the happily made her escape. The vile wretch was soon after apprehended by some persons who wereon the road, and is confined in our goal; being heavily ironed, it is hoped he will be fe-cured, to receive the punishment justly due to his vil-

BOSTON, June 3.

By a gentleman who arrived in terum yefterdar, from Providence, we are favoured with a Hand hill, printed in that terum containing the Ratifician of the Faire and Conflictation by the State of Rhode-Island; which as we contain to be bighly interesting, was present the public.

PROVIDENCE, May, 31, 1790.

Saturday night, at 11 o'clock, an Express arrived in 10wn from Newport, with the important Intelligence that the CONVENTION OF THIS STATE and ratined the Confliction of United States.—The Quellion, "Shall the Conflictions be adopted or not" was taken on Saturday, about 5 o'clock, P. M. when the affirmative was carried by a majority of TWO,—3 to member 1 coing for, and 32 against it.

This pleasing and most interesting event: was invascitately announced here, by the ringing of Bells, and fainty two federal faintest—one-from the Artillery on

I ederal I ill and another from the floip Warren, Copt.

RATIFICATION of the CONSTITU TION of the UNITED STATES, by the Convention of the State of Rhode-Ifiand and Providence Plantations.

Will the Delegates of the people of the State of Rhude-Hand and Providence Plantation, July elected and met in Convention, having maturely confidered the Confittetion for the United States of American nurges the Commission for the Pariest States of America, agreed to on the 17th day of September, in the Sear 1757, by the Consention then autombted at Pariety and the Consention then autombted at Pariety and Consent on the Consent of Configuration of the Search Search

[Here is injected the Bill of rights; as proposed by the Conversion at their Signs at Sunb-Kingdown.] UNDER their impressions, and decetating that the rights abstrated cannot be alorded or violated, and that the explanations aforeand are considere with the faid Conflictation, and in confidence that the amendments here after mentioned, will receive an early and written and described for the latest them. ments-nervatter mentioned, will receive an early and hasture condideration and fpeedily becomes part thereof: WE the faid Delegates, in the name and in the behalf of the people of the State or Rhode-Hand and Providence Plantations, DO, by their preferns, ASSENT TO and RATIFY the faid Conditution. In all confidence, preythelefs, that until the faid emendments final her ratified, pursuant to the fifth article of the femiliar Conditions the all the faid Conditions. ments finall be natified, pursuant to the fifth article of the aforefaid Conflictution, thereilitia of this State will not be continued in fervice out of this State for a longer term than fix weeks, without the confear of the Legislature thereof—that the Congrets will not make or after any regulation in this State, respecting the times, places and manner, of belong elections for Senators or Representatives, unless the Legislature of this State shall neglect or result to make laws or regulations for the purpole, or from any circumstance be incapable of making the same—this those cases such power will only be exercised and the Legislature of this State shall make provision in the premises—that the Congress will not lay direct taxes within this State, but when the monies arising from the imposit, tonnave and Congrefs will not lay direct taxes within this State, bor when the monies ariling from the impost, tonange and excite, thall, be infusficient for the public exigences, nor until Congrefs shall have made a requisition upon this State tendfels, levy and pay, the amount of fuch requisition made agreeably to the crofus fixed in the faid Construction, in such way and manner as the Logislature of this State shall judge best—and that Congreis will not lay any capitation or poll tax.

DONE in Convention, at Newport, in the State of Road-tifiand and Providence Plantation, the tenurements of Mars, in the same Lord.

truenty-ninth day of May, in the year of our Lord one thanfand fewen hundred and ninety. By Order of the Convention, DANIEL OWEN, Prefident.

Atteft. DARIEL Ufpier, Secretary.

AND the Convention do, in the name and on behalf AND the Convention do, in the name and on behalf of the people of the State of Rhoule Hand and "Providence Hantations, enjoin-it-upon the Senaton & Representative or Representatives, which may be elected to represent this State in Congress, to exert all their influence and use all reasonable means to obtain a ranking-on of the following amendments to the find Constitution of the find the fin on, in the manner preferibed therein—and that Con-gress in all laws to be passed in the mean time, will con-form to the spirit of the said amendments as far as the Conflicution will admit.

Conditiution will admit.

[Here are inferted the amendments recommended as the former follow, published in the Providence Papers of last March—alfo the following additional amendments with 1. That the feveral State Legislatures shall be power to reess their federal Senators, and to appoint

power to recal their federal cenators, and to appoint others in give; it read.

2. That Congress shall not erect any Company of Merchants with excludes advantages of commerce.

3. That Congress shall have the power of establishing an uniform rule of inhabitrancy; or fettlements of the poor, throughout the United States.

4. That whenever two members of either House shall on any question call for the years and hays, the fame shall be entered on the journals of the respective-House.

The Covention likewife paffed the following Re-

Inc. Covening national nations and in following Re-Solvas, number contradiction.

1. That the amendments to the Condition of the United States, aggod to by Congress in March, 1789, except the feeling fail amendments, be recommend-ed to the Legislative of this State for their ratification, purfunct to the fifth article of fail Confirming.

proposant to me nun attice of said Confibration.

2. That the thanks of the Convention he prefented
to the Prefident, for the candour and impariality with
which he hash diffehreged it coffice of Prefident.

3. That the thanks of the Covention he prefented
to the Reverend Clergy who have officiated at this
Convention.

DONE in Convention, at Newsport, in the State of Rhode-Island and Providence Plantations, the sweety-ninth day of May, in the year of our Lord, the thousand seven bundred and ninety.

prove in sain—they may a will my to caris to a digit of the fun. The rays of knowledge lance provide former of those kingdoms. The arts are heart as within a few years have been encouraged in Names of the former of those kingdoms. The arts and philosophy have appeared. Knowledge unfatters the human mind—the fivests of property are but half enjoyed, while infective—these reflections are inseparably connocled with every encouragement that are and manufactures receive. The Clergy of those countries appear to be the dereite reflect of deposition, but the times fall approaching when the meridian fulendar of much and right reason shall displace the dark milts of reform—when those long bound in the prison bouse of blind bigotty; thall spring to "light, liberty, and list." Accounts from New -Feriy 183, that there never was a greater prospect of an abundant fruit year in the faire than the prefer the fair of the winter of the fourthward. In some find, the state is the latter, there is not proposed for much as in others, owing in the farefity of inow during the last winter, which left it too much expected to the hard freds of jancing and the legituming of Februaty—spon the whole, however, the prefert prospects induce the farant to expect plential enough.

From a last British Pater.

From a late British Paper.

Of AMPRICA.

WHILE the other countries feem to be making preparations for war, that have people, the Americans,
are tading the fweets of Peace, and are endearouring
to breathe awhile from those feemes of defolation, which
of late has to brembe awhile from those scenes of defolation, which of late has over-run their country—but they breather only to revivify their arms, and to dart forth with resplication that fuftre on the possessions of their heedless neighbours. The Americans are in want of sooney—and they languish for the mines of Possis—it is not and they languish for the mines of Porisi—it is not hard to goets what will be their next manouver in war. The fullycles of New-Sprin are tipe for revolt, and their conquerors in Europe are at a confiderable diffance. País but a few years, therefore, and perhaps the whole new world may become fubject to the commands of

NECDOTE.

ANECDOTE.

R. FRANKLIN'S principles of practical eccuracy he posteried from his birth. When a child he found the long graces used by his fasher before and after meals very disagreeable. One day after the winter's providious had been fatted, "I think, father," fays Benjamin, " If you faid pracrover the subsle tub-for all—it would be a valt faving of time.

WANTED TO PURCHASE, A good Saddle Horfe, from 4 to 6 years old—for which a generous price will

be given, Enquire of the Printer.

Northampton, June 9, 1790.

APPREHENDED BY AUTHORITY,

A ND committed to the Goal in this town, on the 29th elt. a transicat person, who calls his name EBENEZER COOLE, alias COON, alias COHOON. 2. 29th ell. a transleat perion, who calls his name EBENEZER COOLE, alias COON, alias COHOON, about thirty years of age, 5 feet 7 or 8 inches high, dark complexion, floor black hair, and grey eyes. Had on a check'd woollen shirt, brown failor's jacket, with flewers, royal rib vedt and breezhes, & an old tound haz.—Taken from him, a bright that POREE, 3 or 4 years old, tiling fifteen hands high, a finall flar in his forchead which was defar? d with lampblack, fall thod black main and tail, both thort, a defelt in the near forch hoof, fuppofed to have been cork'd, trots all. The above perion will give no account of himfelf, otherwife than that he is acquainted in Williamdows, Eennemmon, Landinburgh, and albiany. The feveral Frances of the Worcefter, Hartford, Litchfield, Stockbridge, Albany, Hoddon, Landinburgh, and Bennington Papers are requested to publish the above advertifement, for the detection of villainy and the beneaft of the injured.

CORNELIUS LYMAN.

Northampton, (Maffachufetts) June 8, 1790.

ALL Persons having demands against the chare of TIMOTHY DWIGHT, Efquire, against the cstare of 7/MOTHP DWIGHT, Esquire late of Northampton, decasted;—are defired to exhibit-them to the subferiber, (who is appointed administra-tor with the will annexed, in the room of Mary Dwight, and Timorth Dwight, executors of faid will) that they may be adjusted—And all persons indebted to faid ef-tare are requested to make, immediate payment. For the purpose of expediting the business of a settlement, the subscriber will arrend at Northampton from the 22nd to tite 28th of sub next. 22nd to the 28th of July next.
THEODORE DWIGHT.

Broke into the inclosure of the Subscriber, in Cheffer, about the 28th day of April Iafl, a brown STEAR, with a small matter of white under his belly, no artificial mark, is supposed to be 2 years old this spring. The owner is desired to pay charges and take him away.

JOSEPH HENRY.

Chiefler, May 31, 1790.

BENJAMIN PRESCOTT, A Cquaints his cultomers and the public that he has just received a fresh (upply of Goods, which he is determined to dispose of for Cash at a low a rareas can be purchased in the county. He still continues his Woot Card Mannfastory—returns his fucere thanks to his former cultomers, and folicits a continuance of their
