A little linnet fondly prest, The dewfat chilly on her breast, Sas early in the morning.

She foon shall fee her tender brood The pride, the pleasare o' the wood,
Amang the fresh green leaves bebow'de
Awank thy early mornings

So thou, dear bird. Jeary fair, On trembling firing or vocal air, Shall fweetly pay the tender care. That tents the early morning.

So thou fiveet refe-bud young and gay, Shall be auteous blaze upon the day.

And blefs the Parent's evening gay.

That watch'd thy early morning.

The following Metchate may be empfored at authoriti.

A BOUT 3 oyat, 32v, Dr. Garden was minister of
A Sc. Philips, an Epifcopal church in Charleston,
and a noted appoier of the well known George Whitefield, who frequently practiced in the diffenting meeting houses of that city. One Sunday, Garden, feeling
himself in a very realous frame againd Whitefield, who
was then accilerating forth his new doctrines, in Charletton, chose for his text in the forenoon, the following
words—"15, they that have turned the world upface
flown, have count hither also," and from these words
took occasion to villity Whitefield, and his doctrines—
The ferrons was no fooner finished than the news was took occasion to villity Whitefield, and his dolfrings—
The fermon was no fostner finished than the news was
carried to Whitefield, that Dr. Garden had abacted him,
during the whole fortnoon ferman, in the groffelt wanner. Whitefield, in the afternoon, in confequence of
their information, took for his tery, the following—
"Alexander the Capperfaith, bath done an much herm,
the DORD returned him according to his carrier," and
with all that archards of faire, for which he was fo remarkable, metrily entertained his southence, during a
greut part of the fermoon, wholly at the expense of Dr.
Garden.

WEDNESDAY, SEPTEMBER 7, 1791.

NORTHAMPTON, (MASSACHUSETTS) Published by WILLIAM BUTLER.

B O S- T O N, August 25.

TUESDAY afternoon arrived here the Brig, Nancy of Cap. Lisiar in 44 days from Briffol: An obliging from the favoured us with English papers brought by this arrival, as Luc as the 2d of July, which consiss the following

EXTRAORDINARY INTELLIGENCE FLIGHT AND CAPTURE OF THE KING of the FRENCH !!!

F R A N C E. NATIONAL ASSEMBLY. Friday, Nine o'Clock in the Morning,-June 24-

HE Afferbly paffed a decree to expedite the pafher of couriers, by preventing their being thopped any where till within ten leagues of any of the frontiers; bot in thefe limits the firstleft strentien is to be paid to prevent improper persons from passing the fro

for a time to be afterwards determined.

Mr. Romenf, aid-de-camp of M. de la Fayette, who had been in perfeit of the King, gave this account of his journey: That having communicated to the King the decree of the National Affenbly, the King (wore to him, upon his word, that he had no intention of gothe decree of the National Attembly, the King (worke him, upon his word, that he had no intention of going out of France, but only of going to Mone Medi !

A deparation from the difficit of Cleraton; facilities of the capture of the King.

M. Dams undertook, by order of M. Bouille, to protefthis dight; but, abundoned by his dragoons, he was himself obliged to fig.

The King had a paffert of which the following is a conver-

copy :

copy:

" On the part of the King.
" To all Officers, civil and military; charged with
the fuperincedees."
in the different departmental the kingdom:
the different departmental the kingdom:

is the different departments or the singular "WB enjoin you to fuffer to pais without interrup-tion, the Baronelis de Kortz, going to Frankfort, with two children, a woman; a valet de-chambre; and three domelies, without giving or fuffering her to receive

any hindrance. ... This paffport to continue in force for one month only. F. Given at Paris, June 5, 1791.

LOUIS. " By the King,

"By the King,
" (Signed)
M. Montmorin was ordered to the bar, to flate by
whom and how this puffport was granted. He endeacorred to, exculpate himfelf, by faying, be had bee.

Four Commissioners were then ordered to ascertain root commissioner were training to the fast. It was then decreed, That the National guards should be feat to the frontier; that the Commissioners sear by the Alferably, should be suthorized to distinf suspected officers; and that one half officer researches should be referred for subheron.

The Affembly then decreed, That for the present the operations of the Electoral Affemblies shall be sufpended.

Priday night.

The fitting was ogneed by the report of the Com. tiffmens charge to examine the conduct of M. Mast. norin with respective the King's pulport.

They find that the people who were alternated round the boole of the Minister, were folicitous to conform

to the law, and to remain quiet.
The Committee or flated, that having examined the registers, they had found that the peffport had been obtained at the request of M. Simolin, the Russian Am-

buffedor in Franc affedor in France.

The Minister came to thank the Assembly for a decree which was then passed justifying him. He was much applauded for having been found faithful id the

Conflitation.

A letter was then read, from the 3 Commissioners disparched after the King, dasped.

differented after the King, dated

Derman, June 24. Three Cleet, in the Merning.

" The King lay the preceding night as Dormans—
this night he will lie at Mean and 10-morrow, will reach

Person."

this night he will lie at Menx and no morrow was the Paris.

M. Menco, in the name of the Milliary Committee, made a report on the unceffity of augmenting the number of General Officers, and of the arms and amount on the furnished to the departments. Upon which, the Alfambly dectred,

That the General Officers, commanding troops on.

That the General Officers, commanding troops on.

the Aliemby decreed,

That the General Officers, commanding troops on
the frontiers, shall be authorifed to deliver to the Naztional guards, under their command area; & ammonition of all kinds, facholisters being fabject to give an
account of the expenditure to the Minister of War, and
to take his orders relative thereto.

The National Assembly enjoin the Officers employed, to watch with the greated attention the arisensis; and authorise them to change the places of their depots, if they think accellary.

The minister is authorised to make an augmentation

of fixteenGeneral Officers, viz. four Lieutenant Gene-rals, and twelve Marthals de Camp, who shall be cho-fen either from the Officers of the line, or from Gene-

ral Officers at prefers existing.

To these General Officers shall be added a proportionate number of Aid-de Campt.

It was also decreed, That a lift of the General Officers who have incur

red difmittal, shall be haid before the Affembly, speci-fying whether such difmittal was in confequence of the having taken the oath, or on account of emigra-M. Menon informed the Affembly of the flate of

military attangements, from which it appears that from the North to Bale there are 700 pieces of camon, and a fufficient quantity of ammunition in the magazines the North to Bale there are you pieces of cannon, and a fulfacient quantity of ammonation in the magazines to carry on the most active was for feven or eight years and provisions fufficient to maintain an army of non-common for 18 months. The camp equipage is fufficient for three armies of 60,000 men, and is daily augmenting.

A deputation of the Manicipality of Paris, prefented to the Allembly the two citizens who flopped the M Drouet then gave the following recital :

. I am the Polimattes of Sainte Menchand, former ly a dragoon in the regiment of Conde. My com rade, William, was formerly a dragoon of the Queen's

regiment.

On the 31st of June, at half past feven o'clock in the evening, two carriages and eleven horses halted at paydering a wareful to see part of the Carriage, and heleft, I was struck with the refemblance of his countries. tenance to the King's effigy on an affiguent of 50

"These carriages were conducted by a detachment of diagona, which foceeded a detachment of hoffar, under pretence at protecting a treature. This clost confirmed me in my fufficious; particularly when I faw the Commander of the detachment speak with great anisation to one of the couriers. However, feating to excite Falle alarms, being alone, and having no opportunity of confulting any one, I suffered the carriages

to depart.

"But feeing immediately the dragoous making pre-parations to follow them, and obleving that, after having aften horfes for Verdon, the carriages took the road to Varennes, I went a crofs road in or-

having aiked hoffer for veroon, the carriages took the road to Varennes, I went a croft road in order toxejoin them.

"I arrived beforethem at Varennes. It was eleven o'clock at night, very dark, and everyone goes to bed. The carriages were flopped in a fluer, by a dispote which had taken place becween the petillions and the Polt-mafter of the place. The Foftmatter war definous that they should thop and refresh their horses acceding to cultum. The King, on the contrary, was definous to haften his departure.

"I then faid to my comrade, "Are you a funct Partiot?" Dont doubt it," replied he. "Well (faid. I), the King is at Varennes. He such be flopped. We then alighted, and reflected, that in order to fecure forces to our plan it was necessary to the bridge of Varennes.—Goronated when the hinder of Varennes.—Goronated when the hinder of Varennes.—Goronated when the three was carriage thereload—the wind furiture—we overcunned it. 10 as to render the war described to the horse of with furiture—we overcunned it. 10 as to render the word impuliable; we then ran to feek the Freezien de Ia Commonne, the Mayor, the Commandant of the National Guards, and in a few minutes our number increased to eight men, who were all hearty in the caste.

"The Commander of the National guard, accom-

increased to eight men, who were all hearty in the cause.

"The Commander of the National goard, accompanied by the Priorieur, approached the carriage, and the theory were made by the Priorieur, approached the carriage, alled the target length to the purification of where they were young?—The Queen universed that they were to a horizon, and the priorieur was then demanded. She at length the partieur was treat, forme faid it was fulf facient—we combated this opinion, because it was not figued by the Priodicting the National Assembly, as it should have been. If you are a furnisher, taid we in the Queen, how came you to have functioned in the Queen, how came you to have functioned when you passed the low you? How come you when you passed the things of the priorieur influence to be followed by a first detachment?

"I geoing queen of their respectively, and our perference in the property of their respectively, and the priorieur influence to be followed by a first detachment?"

"I geoing queen of their respectively, and our perference in the priorieur influence to be followed by a first detachment?"

"I geoing queen of their respectively, and our perference in the respective of the contraction."

"They aligned the American.
