PROCEEDINGS OF THE GENERAL

COURT.
HOUSE OF REPRESENTATIVES.

Thursday, June 7.

A Committee are appointed to confider and, revise
the laws of this Commonwealth, respecting the
earting and keeping of powder in the town of Bos-

ton. A hill incorporating Dudley Alkens Tying, Efg., and others, for the purpose of rendering Merimack River, passible with boast, rafts, male, &c. from the divisionary line of New-Hamphire; and Massachuseus, to the ride waters of faid river, by the name of the Proprietors of the lacks and canals, an Merringet River, passed to be

ngroffed.
The bill to provide for the flates poor was taken up and after a very lenghty debate, paffed to have a third

and after a very length y busine, panels to last a finite reading 1-0 merrors.

Friday, June S.

A bill to incorporate (undry perfors by the name of the Prefident and directors of the Massachuletts State Bank, was read, and Tuciday next, assigned, for the fe-cond reading, and three bundred Copies were ordered to be printed in the mean time, for the use of the Mcin-

bers.
The bill to provide for the State's Poor, was read

The bill to provide for the state's root, was read the hird time, and paffed to be engrapfied.

The Hon, J. Hefmer, Eq. brought down the following order from the Senate, viz.—Ordered, That William Heath and Thomas Davis, Efgr's, with fish as the Hon. House may join, be a committee to consider and report fulfable mean for discharging the principal and interest of that part of the debt of this Commun.

4. -2"

which was read and Concerted, and Mr., Jones, Mr., Jarvis, and Mr. Mafon, were joined.

Satirdey, June 9.

An engrofied bill, permitting the naturalization of perfons preferribed by a law of this commonwealth, was read and palled to be enacted.

A bill for creding a College in the County of Comberland, was read, and with the papers accompanying, committed.

committed.

A committee were appointed to confider the expediency of continuing the law, refidering procedes it law lefs expendive.

law lefs expensive.

The Hon. E. Dwight, Eq. brought down the report of a joint committee, on the mode of chooling Federal Representatives.

The House proceeded to a confideration of the a-bove report, and after debate, it was committed to a Committee of 12, who were directed to take the fub-

jeft up at large,

Agreeable to affigument, the bill for inco fundry persons, by the name of the Massachusett State Bank, was read a second time, and after a length State bans, was read a second time, and after a length debate, on the queltion, fall the bill have a first reading, it passed in the assistantive, yeas 82 nays 61. To morrow 72 o'clock is assigned for the third reading, in the mean time committed to Dr. tarvit, Mr. Kingsley and Mr. Sewall. Wednesday, To

A joint committee were appointed to confider and report what measures may be necessary to be adopted in regard to the unaffurned part of the debt of this Com-

nemeralth.

The order of the day being called for, the house rocceded to the third reading of the bill to incorporate andry persons by the name of of the President and Directors of the Maffactufetts State Bank : and after : ong debate which continued until 8 o'clock, P. M. question, shall this bill past ? the votes being required by yeas and nays, there appeared Vers So

Nays, gz-

ANSIVER. GOVERNOR'S SPEECH.

In SENATE JUNE 15, Figs.

ORDERED, That William Heath and Peleg Coffin, jun. Eigoires, with fach as the Hon. Honfe may join, be a committee to wait on the Governor, with the following ANSWER to his SPEECH, delivered at the confine factors. following ANNWERS in the opening of the Selfion.

Sent down for concurrence,

Sent down for concurrence,

SAMUEL PHILLIPS, PAR In the Haufe of Representatives, June 13, 1792.
READ and concurred and Mr. Read, Mr. Ely an Dr. Jarvis, are joined.

May it pleafe your Excellency.

T affords us great pleafure that we have an or I amorate an expeat pleature that we have an op-portunity of offering you out 'factor' congarnatation on your being again called to take a diffinguished part in guarding the right,' and administring the gov-vernment of a free people. The repeated fuffrages of entightined freemen, are the most honorary encountement on public ment

In times of public danger, the energies of the human In times of public danger, the energies of the human mind are kept awake by continual exertion; but the happinets of a people, fecure in the numbeleded enjoyment of all the rights of citizens, admits of some alloy in the reflection, that times of uncommon profperity, are too apt to induce the people to neglect those vigorous externites, that produced, and are necediary to preferve this political health and happiness.

It becomes the dayt of Legislators to encourage the cultivation of the useful arts, and to turn the public artention to projects of local and extend utility to essard

continuous the ment arts, and to thin the public at-tention to projects of local and general sufficy, to guard, against that lallinge of fentiment, which directly tends to definy the manly features of public character. Good morals and useful knowledge generally dif-fined among the people, are as effential part of the broad bafis of PREEDOM. We therefore are deeply fensible that we owe aliberal parronage toour Univer fity and public fehrole

iny and public tethools.

The generous philanthrophy exprelled by your Excellency, and the particular gratitude to the nation, that nobly relieved our diffredes, command our contre pation. We view with peculiar pleafure, the ! LIBERTY, foreading in Europe, and from rapid diffusion, we anticipate the happy period, when the Freedom of all nations will be established on a per-manent bass, and the people throughout the world,

havered differing in language, or complexion, enjoy unmolefled, the "Rights of Max."

The mode of chooling Representatives for the General Government, deferred our most ferious confideration. It shall be our endeavour to secure to the people an equal and fatisfactory representation.

The ready and cheap administration of justice in this Commonwealth, and the just claims of our credition night to be attended to, during this feafon of profest ous tranquility. It shall be our honest aim to that righteoniness that exalteth a nation.

ous tranquistry. It means that tighteenfurth a nation.

All other matter of general concers mentioned by your Excellency, shall meet with furtable attention from the Legislature, and fizzal for the public welfare can enture forcets, the prefer to Session shall not be used to the good people of this Commonwealth.

STOCKHOLM, April 23.

WE Have not yet feen any authentick lift of those who are taken up or supposed to be concerned in the plot of the late regicle; they are, however, fail to be 28 in number, four of whom the affasin himself owned as accomplice; eight las under violent sufpicion, but have not yet confessed by thing; one positioned him-felf; and lastly, 1; were arrested on suspicion, of whom

LAW INTELLIGENCE.

On Saturday was tried in the court of kings lead a cafe wherein Mr. Williams, the proprietor of the learned pig was planniff, and the landlord of the

learned pig was plaintiff, and the landlord of the George Inn in the Haymarket was the defendant. The action was brought to recover the Pig and case was, which had been difficulted for rent.

The court was of opinion, that the pig and carma like the tools of a tradefman, were the means by which the plaintiff obtained his livelihood, and therefore could not be feized to answer for any debt.
The jury gaves vendid for the plaintiff.

WESTMINSTER HALL COURT OF KING'S BENCH.

LIBELS.

Mr. Mingay moved for leave to file a criminal

Mr. Ringay moved for reave to me a crisina in formation against Mr. Evans, Boskfeller in Patendar Row for publishing a Libel against the Earl of Lad-dale. The noble Lord's friends had been informaby Mr. Evans that the offenfive matter had been wanten by a geatleman Deftor Walcor, but better know by the name of Peter Pindar, in a Poem called, a Comiferating Epitile to the Earl of Lonfole: it holden offered to the Publisher that if he would make 20 di ed against him, which was refused. Mr. Mingay for he would read a part of the Poers, as well as old read a part of the Poera, as well as was in he would read a part of the Foren, as well as was may power, although, doubted whether he would be able do it juffice, and he ought to be cautions as every pr-ceeding would probably be next day faid before the Public. He then recited, "Shades of the Lowthers, armed with rengezza

" rife,
" And shake this Londale who his birth belies, Shock'd at his weakness, History turns pale,
And madly tears the leaf that holds the rale.

"Look through the defert of five hundred years!
"Lo, not a Lowther virtue once appears. Thus will the Nation in one voice exclain

"A Low there do an act of virtuous fame; 
"A Low there do an act of virtuous fame; 
"When from a Low there did a Seyon facot, 
"A Low ther Trunk not rotten at the root;" 
Leave was given by the Court to flea crimbaliformation against the Publisher. 
Mr. Mingay next moved the Court in a fimilar naner, against Mr. Bell, Printer of the Newfoper colld
the Coracle for subdishings in the Pace, with a did

the Oracle, for publishing in that Paper on the 17th d.
December 1st, the following paragraph:
"The Paintes are fill very much perplexed about "The PAINTERS are fill very much perplexed about the Likekefs of the Devil. To obviste this difficult concerning his ln FERNAL MAJIETY, the hundred PETERPINAL HOSE BOOK ON THE COUNTY AND A 185 FECTION MENDED AND A 185 FECTION MENDED ALL."

When Mr. Mingsy read the preceeding, the Con-part into a loud laughter.

The Counfel dated, that in this cafe allo Mr. 284.

would not have been professited, if he had given up to Author; but although he had promifed to do fo; yu'n had always declined fulfilling his word.

had always declined fulfilling his word.

Leave was allo given to file a criminal information against Mr. Bell.

Mr. Mingay moved for a Role, calling on Didtre Walcot, fleet Findary to thew cause why a criminal Information should not be filed against him, for Lied against Lord Lonfedle, contained in his Poem, called a Commissionaring Epsifile.

The Counsel observed, that the Court could have obsiried in a his Poem, called a commission of the Role was the formation of the Role was the Role

objection to this Rule, as it was for exactly the famed trace as a few days ago, a Rule had been granted gold for. Evans, the publisher. Mr. Mingay dated that Mr. Evans, the publifier. Mr. Mingy dared, the li-Walcot, on hearing of the proceeding requested lie. Evans to make affidavit that he had given bim smith, to get printed, and that he was the author; at he wish, if any profession was earned on, it might be spil-himfelf. And furely, added Mr. Mingay, the Cost will not deny him that favour. The rule was granted. The profession again Mr. Evans is withdrawn.

Evans is withdrawn.

Mr. Mingay also moved for a role, calling upon P. Start to flew casic why a criminal information must be filed against him, for writing a paragraph mappeared in the Oracle, faying Lord Londale's contenue would be a good one from which to form the oracle of the Devil.

tenance would be a good one from which to inten-orice the Devil.

Mr. Bell, a proprietor of the Oracle, again, who a profigurion had been entered, made aftidartic half-security as the ruthor, in confequences of which pro-ceedings against him are dropped.

was granted.

The rule was granted,

AFRIL 23-25.

BY THE KING of the FRENCH.

BY THE KING of the FRENCH.

ACAINST THE KING or HUNGARY.

The Speculation on the subset of a Continuous Warrence at the second of the

France.
Mr. Dundas yellerday received dispatches femaled.
Gewer, meationing that the King had gone ca had

let to the National Affembly for the parnole of recommending to the Affembly an immediate Declaration of War signat theking of Hungary. The crowder, was faced, which were affembled to catch the first indings of this momentuous decision, were to great as to impede the puffice of the Soversign on the Affembly, and the editinay Comier came away on Friday creating without intelligence of the final determination.

The latch intelligence received by Government, at tens clock this right, were no tarbite than this installation financial complete the first them to the control of the final final control of the fina

fere o cock in manager and an expect received modeling flatement. But from an expect received princip; exening by a French merchant of the first existence in the City, we are enabled to state in addition, that the King of the French recommended to the Affachly to make an immediate Dyclaration of War, and the Affachly to make an immediate Dyclaration of War, a confequence of the answers which he had received hoffile movements, it was apparent the King of Hongary waited but for a convenient opportunity to

Hongay make war on France,
The King left the Affembly, and after fome debate
was destroid on the fame evening—that WAR
sould be immediately declared. The formal Declaration of Hossilities was experied

The formal Declaration of rionilines was expedied to the place on Saunday morning.

The Dutch mail of yellerday brings us certain accessed the march of the Authina troops.

The Emprés of Ruilla, it is faid, will fend a fleet this fammer into the Mediterraneau—It is supposed that will coavey a number of troops to the South of France, and co-operate with the Count of Spain, in-

filing the counter revolution.

The decision of the National Assembly of France ha to action in derivations assembly diffrance his accorded precisely with the general anticipation. In the firing of Friday creating, the important decree was piled which fauctions the hostilities of France with the

ling of Bellemia and Hungary.

It was at the fame time refelred, that a Manifelto old be immediately published and distributed tho hould be immediately published and distributed that the continuous flating the processions, and the anging by which the nation was induced to enter on a set. It was also proposed, that both the National Consts and the troops of the line fixed trake: the each nite Conditation as preferribed on the 14th of January Ist, this new accession was decared inperfiguous. GN the 15thinft: the election for governor was determined in the city of New-York; when GEORGE.

CLINTON, was declared governor, and PIRELY VAR

COTTANY, illustrant-governor of inc faste, by a
majority of the carvallent.

The Marquis de la Fayertes is become confiderable

changes. The majority of Peris, who have de-

obnoxious to the municipality of Peris, who have de-liberated on removing his burst from the Hotel de-Ville. The conduct of the municipality is, however, reprobated by the national guards, and feveral festions of Paris.

According to letters from Bourdeaux, three hundred thouland men have voluntarily initied in France, prose inding there was a deficiency of little more than 50,000 in the line of the army. Amillion of men it is find, are preparing to follow their example if necessary.—It is mentioned in London papers, that is draud-thouland house have been depopulated, and fint up by the order of the government, "What is very extraordinary this awful vitation, which carried off nearly half a million of people, lasted but three days."

There ferms not to have been at any period fact a general union of featiment against the African slave trade, as as prefent appears in Great-Britain. Scarce-According to letters from Bourdean

by a town or village is the whole than bett in con-tioned for the abelition of the negative conditions of the negative tion from Glafgow was figned by upwards of 10,000 people—from Mancheffer by more than 10,000, and from Yorkabout 23,000, and others, it is faild, is e-

qual proportions.

The evils arising from lotteries in England, are beginning to claim the legislative consideration of that country. To such a height has this legal mode of gambling advanced among them, that in consequence thereof thousands of individuals have rendered themfelves in capable of paying their taxes, during the left

" A lottery is a taxation Upon all the fools in creation And heaven be praired, Tis exfile rais'd Credulity's always infalhion: For folly's a fund Will never loofe ground
While fools are for rife in the nation

VCLL.

DIED]—At Estampton, on the 18th inft. Mrs. HANNAH CLAFF, wife of Capt. JOSEPH CLAFF, in the 56th year of her age, the was a woman of an antiable character, whose death is much lamened by all her friends and aconsintance.
