VOL THE HAMPSHIRE BAZETTE.

ODE, INDEPENDENCE.

These hail anspictious Day !-- to every patriot desi, Long may America, thy facred morn revers, This day the heaven descended prize, This day the heaven discenses prize,
Fair Independence biff our land,
May pleafure frarile is our eyes.
Our hearst with graited expand,
exoust.
Let youth with age, in one grand chorus join,
Heroes and Sages, hait the boon divine.

Flail Independence hail !- fmit with the love of thee, I set pendente that the third that the fire :
for the thy fength, they bled, expira,
And larell'd wrathes of henor gain d,
Refolv'd, united and infpir'd,
At length the gloriest prize obtain'd.

Cho. Let youth with age, &c.

Beseath thy follering hand—here agriculture fmiles, The joyfull farmer reaps, rich harveit from his toils. The joyful fields, well cultur'd plains, The flocks and berds indumerous rave, The towering mane, the bending grain,
Thy blefings, independence, proves
Cho. Let youth with age, &c.

Commerce upheld by thre, old ocean's bound ex-

Commerce upwer of porces, careful and translation to thores, Our trails wide extends, from translation thores, To fertile India's crowded ports,
The adventurous merchant tends his courfe, Our flags display d the word around,
Our wealth derived from every fowice.

Cho. Let youth with 25e, &c.

Cheer'd by the placid mein, our manufactures grow.

Mechanic arts improve—whence copious blefings flow.

Lol keaven born feience feels the charm, Lo I heaven born teirne eine in echter,
She fireoghens, flourithes and fmiles,
Genius, ability and worth,
Each office, each profession fills.
Cho. Leryouth with age, &c.

Let us with grateful hearts, bend the adoring knee, To effective that power who will'd as to be free, He shoke the word, let discord cease;

He fische he word, let differed ceafe;
Appall'd our foeven every hand,
And now he fisowers the fweets of peace,
In Yick profusion on our land.—
CHORUS.
Let youth with age, in one grand chorus join,
Heroes and Sages, hall the boom divises.
Ambetft, June 21, 1792.

THE UNEXPECTED RETURN.

HOW's this I with Child, and I away
For twelve long months and more;
There must, good Jane, be fome foul play,

Not fo, kind Mub. The times are bland; Then turn not pale or fallow:
Friends will fiep in, and till par land,
When too long laying fallow.

When too long laying fallow.

LETTER TO A YOUNG LADY.

Let the Rew JOHN BENNET.

ON ORDER.

AY down a linte plan for yourfelf, and all your treatment. In the case of the plan for yourfelf, and all your treatment. You will have the employment will be easy & treatment. You will have them in a harry or enhantaffed.
Order is the lat his wolfmature, and of entered God. The moon, fars, and tides, vary not a moneum; and the fan knoweth the hour of its going down.

Without order, a thousand thing; will be improperly delayed, or whelly neglected. While we are hefuniting where to begin or what to do, hours fly away, intensibly, never to return.

If every thing known its place, you will escape the following any moments, and the cartiery of asy many unprofitable fearners. Excellents is by an means the neutring state of the case of the

your processes in this in the persection or art, you know, is to conceal it.

Be always ready to receive your friends with an open countenance, and a cheerful heart.

Society and emorable have claims appon us, to which we fhould incritice every (alfile confideration.

emersion and craims apon as, to which we income incrince every felific medifectation.

If you are an early rifer, you may find time for a weer thing. It is amazing how much is gai, ed by lopping off an hour or two from indulgence in the more ing. Nor is the more faving of time the only advantage. Our furfills are more awake. I do not know a practice which I seem more awake. I do not know a practice which I seem to the more awake. I do not know a practice which I seem to recommend, whether devotion, health, beauty or improvement of the mind, were the objects in view. How cheerful and how animated are the section of the morning! What a delightful bloom floffice to to the checks from its below exhaustions! What an antipeabable cheerfulled gildes into the fool, from hearing the devotional mains of the lark, and from beholding the newbork fenergy to Mature! How meetfary taffach a regiment to preferre that fweetness of beholding the newbors frenery of Nature I low neeffary in fach a regimen to preferve that freetners of
complexion and of breath, which are the very effence
and perfume of beauty I Whongeople which of accounting to God for the talents they have received,
they overlook the hours, which are lost in the morning
dath, and oursefounble installence.

There inverd myless for many years, to this habit of
surfy thing. I take pring months of April and May,
particularly. I gradge very moment that is washed argy, for each other and the talents of the surface
left our perform increased in Legen. I makely

much some deducted from the frameds of my health, and the rigour of my understanding.

DANIEL BUTLER HAS just received, and for fale at the Store land, and the rigour of my understanding.

NUISANCES.

A FRENCH Gentleman who was taken prilours with Marshal Tallard, at the battle of Hockstet, A with Marihal Tallard, at the nature of mockette, and was fown years a priforer in England—on his return to France among to ther other two for one of the informed his countrymen that the English had a thing they called a with a with a with a feel of the department, faid he, "any thing that is offenfive to the nighboars, or that may probably do a mitchieft to the patienger. faid he, "any thing that is offentive to the patiengers—
for removing things of this nature the English have
very good law. But 6 indulent, 60 neglectful are
these people, that they feldom or ever think of reneving the sniftence, until it has done from notable
mischief. An example of this kind happened in the
neighbourhood where I quartered—In a be-road, over
a very deep river there was a timber bridge, and from
after I arrived there a large hole happened to the brinks
through in the middle of its Bridge—I patied that vary—
I observed the hole, and took notice of it to all the
gentlemen in the middle of its Bridge—I to continued for
many months—the laws were fufficient for removing
this notifance it enforcing the reparation of the Bridge,
but no manwoods be at the pains of pating—them,
execution.—At last, an unfortunate gentleman of some
disfinction passing through a travel, and
much hurt. Than the Judices of the Peace met, and
immediate orders were given for repairing the Bridge." much hurt. Then the Juffices of the Peter mer, and immediate orders were given for repairing the Bridge. "I do not know," (asy he "but the gentleman found means to recover the value of his horle, but no me": could make reparation for the pain he indured."
