Tokaje of Names of great Renaux.

ORTUNE, alsa! how sported thou on earth,

Fame, thou're a wind, a bubble gave thee birth!

Say, where's those names that fee the world on fire? Where does the pride of Rome and Greece retire? Heller's dread name now marks the butcher's dog. Hellor's dread name now marks me outcher's don's case drives heep, and Braun drives a bog! Look yefor Paney? I careh the transer's yard, You'll meet with Cafar in your orchard's guard: But rivals fall for fame, unknown to feart-A bone, unpick'd, thall fer them by the ests. A bone, unpick of man let them by the cars. See Scips bolt of war, the bull clay! Whill New [blood-hound fill] makes man his prey. Thus fares it with renown—nor Gods retain One jot of reverence to their faced name: One jot of reverence to their facted name:

Jano, Karr, Venu, Jap dogs now and hitches,

With many coats are drawn'd and finat in ditches.

Liv'd ye on earth ye once fam'd pair of Sages,

Who view'd from different points the crimes of ages I

How would'dt thou't seep for greateness for butlefqe'd I

How would'dt thout laugh at hogs in regal vefil

\* Heruclitus.

ADDRESS FROM AMERICANS TO FAYETTE. LLUSTRICUS patriot ! enlightened citizen of the world ! for fuch flill thou art, as fuch thy name is ILUSTRIOUS patriot! enlightened citizen of the world! for fuch fill; thou art, is fuch tyn ame is engineen on our bearts, as fuch recorded on the rolls of sumortality. When we faw Ermone convulled by parties, we rejoicted and, we trembled perfect the case we full found the leading where glory called, & where wildom pointed out the way. Ardent in the case of liberty, but guided by prudence, we trembled left the moderation fluedd draw on the refeatment of facilions flruggling for inperiority, burning with enthalism, and burning forth against each other, with the violeace of rage. Long we faw these and fit may temperate, side clear of the rocks which fortrounded then every fire. Still thou wast Fayerne; and through France, for whom thou wishready to that the last crim for adopt from thy veins, calls the traitor—though the divien whee lists the hands of despots—though tyrants regardlest of the laws of nations confine the injection and immurative in calliest of flavery, fall thou are the who bleeding with us in the case of Freedom, redesied thy left for the citizens of America, fill in the land of princes, in the dominious of measurels, none it feels as great as styles, and is the land of heroes, thou has left nome thy rival. We hope with the that France in remediling the balls of flaver which ruch against hereteen as great as injection. We hope with thee that France in repelling the halls of flaves which ruth against her-which pour into her fertile fields, may not need thy ferwhich poor into mer termic neigh, may not meet my ter-vice, who be that the may done where to all and of peace and fleedour; we trult that thou will yet rife in-perior to misfortunes, and thine more bright when the clouds of advertigy are dispelled—we know one; withes would wait thee troor there, and our hearts welcome thee to our hoform—we know that pottenity will admire thy wirtness, and future ago we create thy name.

THE CITIZENS OF AMERICA:

"The last account was, that he was to be conducted to the cafile of Wefel in Germany.

THE MISER'S PRAYER.

THE MISER's PRAYER.

LORD, they knowed that I have nine houses to the city of London, and likewife that I have lately purchated an effect in fee fimple in the county offers: Lord, I betiered thee to prefer the two counties of Effect and Middlefer from fire and earthquaker; and I bases morigage, in Hernfordhire, I beg of thee, likewife, to have a heye of compatino on that county; and, Lord, for the late of the country, thou mayed deal with them as thou art pleated.

O'Lord earlier the bank to aniwer all their bills. &

O Lord, enable the bank to answer all their bills, & make all my debtors good men: Give a prospersor voyage and return to the Mermaid floop, which I have ensured: And, Lord, thou had faid that the days of enforced: And, Lord, then an also has use days on the wisked for his fant: I trust in thee O Lord, that thou will not forget thy promife; having porchafed an efficient reversion of Sir J. P. a profligate youing man. Lord keep one friends from finting, and iff it be thy will, let there be no sinking funds. And keep my will, let there be no knoing tunds. And teep my fon Caleb out of evil company and gaming books; and facility O Lord, this night to me, by preferring me, from this res and first and make my fervants bouch and carefol, while I thy faithful fervant; lie down in the, O Lord. Amen.

Vol. VII.1

WEDNESDAY, FEBRUARY 27, 1793.

NEW. YORK, Feb. 9.
Late on Thursday night, arrived his Brittannie Majef.
17's Packet the Portland, Capt. — in 45 days,
from Falmouth 1 we have received the following interefting particulars : MENTZ, November 16.

HE French army on the Rhine is, it is faid, to be THE French army on the Rhine is, it is faid, to be sided to 70,000 men; Quarters of Cantomera. In the been marked out in our environs for 36,000 men; and 17,000 more are expedied. The Profiling army at Collegia and its intrinen its elimaned at 42,000 men; and magazines are forming about Watzburgh for an army of 30,000 Auhrians, now on their march, from Robertal, but we learn, there has been fouse feditions notions in the latter kingdom, on account of a gratuitate elift in Order and providings which government reon gift in forage and provisions which government re-quired from the inhabitants. How fo many troops can in fo confined a space, subsilt during the winter is

a problem.

The Elector of Sexony and the government of Hanover have also put their troops on a War footing and drawn a line op their frontier.

WORMS, Nov.19.

Another reinforcement of 3000 men is 3000 from brace to Coffine's army, they took with them 120 waggous, drawn fome by foor; and others by fix horfes; 75 of them were laden with gnapowder.

They write from Gelfen, that a large corps of Helfantist them.

fans is there.

FLORENCE, Nov. 16.

We have accounts from Genoa; that the whole French fact is in the gulph of Specia; it confifts of 70 thins of war of different face, bedden which 31 thins are ex-pelled from Toulon with 16,000 troops. The fame accounts add, that the Franch fleet have requested of the Republic 2000 eartle, 4000 begs of bifcuit, and fome money.

LONDON, Dec. 4

It has been the grand object of this country, conflitent
with that equitable fyltem of politics which it has ever
profelled, to observe the conflit first neurality with refpen to the affairs of France, suce the revolution in that country; but this neutrality is appears no longer pof-fible to preferve, and at the fame time abide by the faith of treaties.

tath of treaties.

The avowed determination of the French to open the navigation of the Scheldt, a measure—thich would go materially us injure the commercial interests of the United Provinces, and with it oldmarely, that of this United Provinces, and with it ultimately: that of this county, juffly alarms the English Government, closely leagued as it is with Holland and Pruffis, by the most natural bonds of alliance. In consequence, we are informed, that under France immediately explains failafelorily to our court, affect will be instandy or dured of twelve ships of the line, in addition to the ten frigates from were added in consequence of a court of admirally beld on Sasarday already part into commission, which sheet will be followed up by a more formidable force; and contracts are already entered, into with Government to supply this equipment with all the necessaries required in a final fervice.

Letting a latter from Paris Nov. 29.
