COMMONWEATH of MASSACHUSTTS. Po bir Freellence John Hancock, Efquire. GOVERNOR of the COMMONWEALTH of

APROCLAMATION

FOR A DAY of FUBLIC THANKSGIVING.

WHEREAS it is the Dury of Min. V Y sewell in their focus, as individual flate, religiously to confider the dispensations of GOD's Holy Providence—To acknowledge with Gratitude, their Obligations to Him and there entire Depend-

ence upon Him.

I HAVE THEREFORE THOUGHT SET by and with the Advice and Confent of the Council, to appoint, and I DO here-by APPOINT THURSDAY, the Sevenio Day of November next, to be observed

bath from fit to viot a Sifter State with a bleffings of peace, liberty and happiness very malignant and mortal Difesse, of a to the nation. And they had a right fo very malignant and monal Difease, of a kind uncommon in this part of the World, He hash been graciously pleafed, hisherto to preferve us from fo griceous an Affiction.
When fome parts of our Land have fuf-

When fome parts of our Land have ful-frend a fevere Drought: He remembered Merry for us, by fending Rein Jeanifully in most places; and caoling the Earth to preduce a foliciency for the fapply of the needlaries and conveniences of Life. When Bloodlited and Devaltation have anended Electrice and Devalution nee anended the Straggles for the Richts of Max in Europe, it thould remind us of His remarkable appearance in our Favour, when we were contending on the fame Principles, and for the fame important Potpofes. He tasts professed our Metchandine, our Fifthers and the Island our Metchandine, our Fiftery, and the labour of our Hands : and Dill continues to us, our Civil and Religions Rights, rogether with the greatest of all Bleffings, the LIGHT of the Governor

And whereas our Sins have rendered us And whereas our Sital Face rendered us un worthy of the leaft of GOD's Mercies, it behaves us hombly to Supplicate His forgiveness, and to bring forth the Fruits of Repentance, Love and new obedience; of Repentance, Love and new openioace that to we may be prepared for the continuance of His Favours: By directing and Adminification of our Govprofessing the Administration of our Gov-ernment—Br fucceeding out tride, Agri-culture, Fishery and Maufactures—By fmilling upon our University and Schools ien ; and granting rous all thofe of E-meatine, and granting rour at the to the look XVI, which was occasioned by it other Birmags which we may fland in his own perfidy energed the defons around in them. The bones of Loois XVI, would be Benevolent FATURE of the FAMLY of the AMLY of the AMLY

ny, founded on the heft Principles, may be et tyrant, this the cenduct of the compressibilitious in the Republic of France, bined powers must fully evince. It is the bined powers must fully evince that the bined powers must fully evince the man. With equal proprinted by the bined powers which shall promote their own Happiness cuty might England most fight to reanimate fhall promote their own response and operation may every where cests—the Louis XVI, he is removed, far beyond the Principles of equal Government friend a removed the Nations; and the Way to open mong the Nations; and the Way to open to, by His overnling Providence, to bring the Twenty Six Millions of people now comed, by His overnling Providence, to bring the Twenty Six Millions of people now comed. OUR LORD and SAVIOUR JESUS

And I do earnefily recommend, that all fervile Labour, and Recreations as are inconfifient with the Solemnity of the faid Day, may be suspended.

GIVEN at the Gouncil Chamber in Bos-

es ex as the women's cannot mission, the 28th day of September, is the year of our LORD, one thinfand feven hundred and nitely three, and in the eighteenbycar of the SENDERFERGERS of the UNITED STATES of AMERICA.

JOHN HANCOCK. By his Excellency's command, with the ad-vice of and coulent of the Council, LOHN AVERY inn. Secretary.

GOD Jane the Commonwealth of MASSA CHUSETIS!

From the REPUBLICAN JOURNAL. Devilorente Devils dani'd firm concord bold; Man only dijagrees." THROUGH the whole train of evils,

and the long catalogue of human calamities WAR, undoubtedly is the most deblorable: From the day that the fift four four progenitors imbrued his bands in the righteous blood of the fecond, hath war the righteous blood of the fectord, hath war and bloodfied purfued the human race. The hillory of mankind is crimfored over with blood, and feems to bloth at the hor-rid tile it relates. Various have been the cales the fave infigured nations to com-mence and profecute wars—It is obfertable however, that most generally they have pre-vailed under minarchical governments.— To gratify the ambition of fome shaughty prince, or the awarice of fome vile defper, have flowed occass of human blood. Alia have those do occasion numan mood. All, Africe, Enoise, and even America have by this unnatural mean, tertilized their foils. And Europe at prefent exhibits a feene borrid to bouranity. A league of Defpats, a bank of crowned Rebbers, have united to bunt down and devour the poor devoted cirizens of France; and, For what? Why are the fertile plains of France converted into a flaughter house for Europe What juffifiable cause can be offigued so this combination of cutbreat;?—Have the cirizens of France diffurbed thetranguility of Europe?—Have they circed violence by APPOINT THUKSDAY, the Security
Day of NOVEMBER 1981, to be observed
as a Day of FUELIC THANKSDI
ING through this Commonwealth.
Hereby exhouring the bigiden of all Day,
normalitions, with their frepelive Congregations, to attempt the facility Congregation of the facility Congregation (and the facility of the facility Congregation (and the faci Our Fatherin Pearen hash been gra-cieedly pleafed to grant us a good metfure of Health through the Year pak; and while, on His righteous Providence, He buth fern for the states of Space Comto do, is a doctrise which will remain eternally true, when the pornpous Mr. Burke and the other transatilentick advocates of flavery and their infamous phillipicks, shall be lost in the deserved oblivion that awaits them. But this however is the mighty crime, which drew on that devoted people the rengrance of Europe. Tyranny felt the shock, and its advocates fearing the event, shock, and its advocates fearing the event, eried " havock, and let loofe the dogs of

This is awar of most fingular nature. It is wer that has neither conquest or glory for its object. The combined powers pre-tend neither of them, no infraction of treaties or invalion of territories. France had peaceably fer about mending her condition. She requeffed not the aid or interference of any other action; the was competent to her own concerns. Had the object of France been to forge new chains or flackles for mankind, the kings and princes of Europe mankind, the kings and princes of Europe now at war with them, would not only have been at peace with them, but would gratorizedly furnithed them with means and men to carry on and complete the inglaritary work. But for their own bonour and that onk. Bet for their own bonoar and that of human nature, their object was very different; they refolked to be Frie, and in the broad day of Europe with confeigus in their object, and with a holderfs which the love of Freedom only infpires, they made the fishem defensation. This, and not the death of Loois XVI, which was occasioned by this own period, energy of the control of the
