Go, TAYLOR, Chief Clerk in the De-To be continued.]

At a public meeting of the Citizens of Sa vanuab, beld by adjournment, at the Fil-ature, on Wednesday the eighth day of

Jan. 1794. The Har. Nathaniel Pendleton, in the

greatest privileges of free citizens publicly to express our disaprobation of the measures of generament, achee we conceive them to be air.
generament, achee we conceive them to be air. "The rioters then bid them defiance conductive to improper ends, and influenced by improper marines: fo on the contrary, we conceive it countly our duty to express our approbation of great and extraordinary acts, as bich have been the refult of confiant wigi-lence and prudent precautions for national

fafety.

Kefeloud. That sweet the ereat and read. estimate to an among our great one good on the for fifth mogificate, we are particularly induced to express our example thanks and fallest approbations of the wife and judicious ret adopted during the recep of courreft. firmary this morning, and they are continu-

alls have received the fallest approbation of his boufe of tempres.

Refelented, I hat was executive it to be the genius of time republicanifes, to give equal liberty, and an more. That this liberty, can cally be exjected anhere the towns are supreme. and are respected That the attempt of Citi en G.mit, the French ambaffador, to enlift and raife an armed force, under French pay. and raise an armed sorte, under Frezen pay, routhin the jurisdiction of the United States, resuld it not early checked, have a direct tendency to a total jubocerfion of our laws and government, and the equal liberty of the citi. zens. That alls of this kind are contrary to the law of nations, and repugnant to the prin

ciples of every good government.

Refolved, I but while one express of enfe of the indignant conduct of the French ambastador, towards the American governave at the fame time declare ain a fincere gratitude and attachment to the

French nation.

Refolved That in the prefeat crife of Euics we are of opinion it is the tra interest of America to remain at peace—to ob-ferve a strid adberence to the faith of trea ties on our part and with firmels to de-wand a reciprocal conduct from other no

time.
Refolved, That although one deprecate
war, as one of the greatest wils that can be
fall a nation, and that an appeal to arm fall autism, and that on appeal to error sught to be the derpier eyolor of a republican government, it becomes the United Status to be prepared in this laft extremity, it officet and protest their rights againg the externation ments or infulls of any foreign nation subat-NATHABIEL PENDLETON, Chairman.

Of the RIOTS in BRISTOL, ENGLAND.

Fatroit of a letter, dated September 30.

"UPWARDS of 10,000 persons being affembled on Brittel bridge and its arenoen, it was ferted that the not affiliated by the sead, and afterwards to place conflables at the Toll houses to take the tolls. So polite, indeed, was one of th-aldermen, that he turned collector himses, and pulled a coachman from his box, wh was not within 100 yards of the bridge The coarbman had recourse to his whip and actually gave his Worship a good drub efore they conducted him to This happened about oine in the evening—his Worship carried adars lanthorn with him. The mob continues

Inthorn with him. I be mob continue till it and then dispersed.
"This morning the mob affembled, a gain, and the conflables came to take to the As smelve o'clock the tint aft, was read . opwards of 100 foldiers, gain and opwards of 100 foldiers, with bayonets fixed, were placed at the Toll hoofs, and any perion having given one

SINCE our last, the Committee of the onle of Reprefentatives to whom was referred the report of the Committee of bot Houses, on the Speech of his Honor th oant Governor, together with the new draft of the Senate, reported a con wrence with the Hon. Se oto another new draft. Read A

Sent up for concerrence.
The House, for the laft two days, have been entirely engroffed in a public hearing of the patties, on the complaints exhibited to the House by STEPREN HALL, Jd, a gainst WILLIAM HUNT, Elg. for mal deftinhisOffice as a Juffice of the Peace and after a full bearing, a motion was made. That Wat. HUNT, Efq. be IM. PrACHED, betare the Hon. Senate, for PEACHED, octore the root, consec, in mileondoct and mai-administration in the Office of a fuffice of the Feace. The year and nays were required, when there appeared 111 tem, and z1, mays! Where

Ordered, That Mr. WHITING, Mr. EL: and Mr. Bissot, of Reboboth, be a Com-mittee to prepare articles of impeachment against the faid H UNT, and report. The Hon, Senate we are told have past-

By the British December Facker, which strived here yetherday, we are enabled to lay before our readers the latest European idealigence. We have felected from the latest pepts we have received, every article of moment and a period of them will of moment; and a perufel of them will thew, that the late incoeffee of the French had not ceased; but that in every infance they have been the silaliants, and in slower they have been the musicants, and in amore every inflance they have been facecifful. The praifes beflowed upon themby the communication of the allied Venerous, appear to have well deferred 1 and the spirit which have well deferred | and the fpirit soimates every part of the Republick, inspires them with an enthusiasm and valour. which proves an overmatch for the difci-oline and experience of their enemies. Great part of the ellied army had gone in-Great part of the ellied army had gone; in winter quarters—The Duke of York at Valenciennes, Quefnoy, &c. The Frince of Coubourgat Condeske. General Jourdon's army were fill on the field, but it was supposed would go to Life. The French have entered Denr. Ponts and Spain. Toulon was not trasken; Lord Howe's flost was at fea the 10th December; and the French Revalia. and the French Royalists were meditating an attack on St. Meloes, in order to receive

fuccours from England.
In November left, the committee of fafein November 1st, the committee of fartety of the Freech National Convention, informed that body, that citizen Fauchet had
been appointed to forceed citizen Genet,
as Ambelfedor to the United Spars,
