SHAKESPEARE.

From the Independent Chronicle.

Medits. Anams and Larkets.

Thaving been fuggefied in the paper,
that SUNDAY was shollified in France. and as this may make an unfavourable im-profiton on the minds of many perfors, a jul representation of this subject is neces-

The 7th article of the declaration of the Rights of Man, expressly fava " the right of allembling peaceably to enjoy the free exercise of worthing, cannot be intredicted."

The 122d article of the Confliction, in the chapter of the warrantee of the rights fays, "The Conditation warrants to the French, the free exercise of worship."

When we thus see the liberal tensiments

When we thus fee the liberal leaviments adopted refocing religion, and the liberally of coofcience granted to every denomic nation, we cannot charge the French with different to religious worthin; to the contrary, they allow to every feet, a full enjoyment of their particular tenest.

The changing the name of SUNDAY into instanced yas an airlies of religious duties, but they have been staticed of an advisor to the cookiences of the prople sources.

to the conferences of the people ; giving o pre eminence to one day above another Agreeable to faripage "one man effectieth ne day above another-Let every man he fally perfueded in his own mind

Thus, those who differ in religious fentiments, are not beand by government to an object sance, of particular days, emetracy to their opinions.—Hence a true requality of religious rights is effablished, fince by this new regulation, there is no preference to Roman Catholic, nor any pre-eminence to any feet whatever. Every profession is now brought on the Jevel of regul rights and privileges. The Jew enjoys his Saturday—the Christian his Sandar—and those wan give a preference to Saint Days have liberty fo to do.

In there, Ecouce has placed the moral stimits of liberty upon this maxim, "Da by others as you would be done by." Hence Helzin. Pethap mind, like body, is it in a feet, that Sandan, confidered, as a bite or vote on this motion, by sincer pechaps shoot, and so feel feel on the sandan confidered, as a bite or vote on this motion, a May allored from exercison to loiser. On the shoot little in France: Of the contrary, cofe, and tempted progrets.

TED AND PUBLISHED BY WILLIAM BUTLER,

This liberal feotiment with respect to particular days, is an excellent resorm, as it applies to the French;—That nation formerly stilgned ocas are quarter part of the year for religious paroptes, which operated as an immende tax on the poot and prevented the labor of an millions of poole, those months but of swelve.

Whereas by having no particular day let spart-to-predictence to smoother, every citizen will appropriate fuel days for religious worthin, as the own conference that die-

rambles, which the author of Pandifel.oft, thus with a poet's enthulafme capitos, lead us to far into the diftant wrods, and charm (opleates); that we forget we lefter home and a frientifick chapter, or a tragedy of Shake (part's audit(f)ed. When Winter wares his Sarorday, thould by the laws of the forest audit(f)ed. When Winter wares his courty be prevented from doing any being wand, every volatile fpirit, that like the butter fig., had literega away the fumers; at a once coajared into the fludious fir the form. appropriate a quarter part of their time as Saint Days, when it is probable not 50 thouland of the whole think it their dury regard them in a religious mannet.

The objections of Sanday in France, at a day of Religious Duties, is not abalified. A FRENCHMAN.

Mr. Tracy, of the committee appointed to condict and report whether any & what alterations are necessary to be made in the law for establishing the post office, brought in a report, which was twice read, and referred to a committee of the whole house. m Monday next.

A report was read from the Secretary of the Treafery, made purform to an order of the House, of the 30th January last, This report exhibits a flatement of the

an report exhibits a fintenent of the amoney in the Treafury, an edimate of the amonat which may be expected to be paid in by the first of April, and s statement of the domeliick loans, with the fams which have been paid on account of the id-loans, Referred to the committee of the whole on the amonetistics.

the appropriation bill. THUESDAY, Frbrany 6.
After reading and referring feveral petitions, the House went into committee of
the whole, on the report of the felect committee to whom was teferred the meffage of the Prefident of the United States, rela-tive to the Regency of Algien, Mr. Trun-bell in the chair. The report of the committee was read through by the chairman, and then by paragraphs; the first defigures the naval force proposed. The diffcusion of this occasioned a debate, which continued notil the time of adjournment, withdut taking a vote; the committee rofe and reported progress.

On this accasion the debates were highly

interesting. Mr. Madison, Mr. Clark M Nicholas, and Mr. Giles, spoke in opposi-tion to a naval strumment. Mr. Ames, Mr. Gilbert, and Mr. S. Smith, in savour of

FRIDAY, February 7, Soundry petitions were read and refer-

rd. Mr. Goodhur called up the refolution which was laid on the table the 6th 1 inft. relative to the appointment of a committee to report what alterations may be necessary to the committee of the state of the stat telative to the appointment of a commission to propris that alteration may be necessary in the act for registering and iterating in the act for registering and iterating and timenting trade, and in the filtering and iterating trade, and in the filtering and in the act, to facure the collection on goods warm and theretaknize imported are the State State.
