An infant four months old, dead. The father was attacked about a fort

night after the reft of the family, but in_ lighter degree: The pain being confined to his fogers.—Two fingers of the right hand continued for a long time discoloured and partly firmak and contracted; but he begins now to have fome use of them.
The pasts of the other hand were also difcoloured.—He loft two of them. It is remarkable, that, during all the

ture of this messionane, the who is faid to have appeared, in other respect well, are heartily, and flept well, when the The mother is now emaciated and has very little use of her hards .- The eldeft girl ha a fuperical after in one thigh, and feems also ill. The reft of the family are preny well. The flumps of fome of them perfect.

BY HIS HONOR

Samuel Adams, Efq. Lieutenant Governor and Commander in chief of the

COMMONWEALTH of MASSACHUSETTS,

A PROCLAMATION.

For a day of Public Fasting, Hu-MILIATION CEST FRAYER.

IT having been the invariable practice from the time when our pions and renowned succellurs took polition of this land, at the approaching featon of the year, to fet a part a day publickly to acknowledge an entire dependence on the Father of all Mercies for every needful bleffing, and

to experiment or every account of things, and to experiment of the manifeld transgressions of His Holy Laws

manifed transference of the relay Laws.
And the Practice being highly becoming all people; especially those who profess the Christian Religion.

I Have shought fit, by, and with the advice of the Council to appoint THURS.
DAY, the Secuentath day of Arrait, next, to be observed throughout this Commonwealth, as a day of Public Fasting, Humiliation and Paayen; carnefly exhorting the Ministen of Religion to affemble with their respectiveCongregations on the same day—that deeply lamenting our ingratitude to our Heavenly Father, to we are under all coffible obligawhom we are under any deviations from those rights and fafe paths, into which, as our Supreme Governor, He hath plainly direfled us, we may with one heart and roice humbly implore His gracious and free pardos, thro' JESUS CHRIST, fupili cating His Divine aid that we may be cating His Divine aid that we may he come a reformed and happy people. At the fame time humbly befeeching Hiss, meritially to regard our lives and health fo that no infedious and mortal diffement presail amongst us:—To favour our land with the sternate benefits of rain of meritials of the Sun's and that one has a sun of the sun's and that one has not been as the sun's and that one has not been as the sun's and that one has not been as the sun's and that one has not been as the sun's and that one has not been as the sun's and that one has not been as the sun's and that one has not been as the sun's and the sun's our land with the siterpare content of rain and warmsh of the Sun; and that our hopes of a plentiful barveft may not be difapointed by devoning infeth, or any other calamity:—To prosper our trade and officery, and the labour of our hands:—protect our navigation from the rapaction hands of invaders and robbers on the feat. nanos of invaters and robbers on the feat, and gratiously to open a door of deliver-ance to our fellow-citizens in cruel capti-vity in a land of Barbarsans:—To con-tinue and confirm our civil and religious fiberties; and for that great perpole to blefs and direct our University, and all Seminaries and Schools of education :-To gaide and forceed the Councils of our Federal Government, as well as those of the several States in the Union, that under their respective Constitutions they may be

the Nineteenth day of February, is the year of cur LORD, One thoughout Seven Hundred and Ninety-Four, and in the Eighteenth Fear of the Independence of the United States of America.

Samuel Adams.

By Hir Honor's command, with the advice iOHN AVERY, ign. Sec're.

Commonwealth of Maffachuletts. In the Honfe of Representatives, February

R ESOLVED, That the Treasurer of RESOLVED, That the Tresforer of the third commonwealth, be, and he here by it authorifed and directed to contact for forplying the Garrifon and Convicts and Contient and Contient and Contient and Contient and Affers a dreaffel cannage, the French ing for the term of one year, commencing and as many wounded and taken. Among Government; and that he exact public uties thereof to be given in the Indedendent Chronicle, three weeks before be enters into fach Contract, that he fish re-ceive propofals from any person or persons, disposed to make the same, under seal; and fall require bond, with good and fufficient furety, in the fum of five hundred pounds, from the Contractor or Contractors, for the faithful difeharge of their duty; and that the faid Contract shall allow the same atticles of Provision and Chatching for the Garrison and Convicts, as is specified in the Contract of the last year, made for the fame purpose. EDWARD H. ROB. BINS, Speaker.

In SENATE, February 22, 1794.

Read and concurred.

SAMUEL PHILLIPS, Prefident. Approved by the Lient, Governor.

Treefury of the Commonwealth of Mediachusetts, Feb. 28, 1794
PURAUANT to the foregoing Refolution, Notice is hereby given That Proposals will be received at this Office, until the 21st day of March next, inclusively, for supplying the Garrison and Convicts on Cattle-Island, for one year, from the first day of April next, with the following

Rations, riz.

For each Soldier, one and a goarter ound of beef, or half a pound of beef and a half pound of pork; one pound of wheat bread or floor; one jill of peas or beans, or vegetables equivalent thereto; one cance of batter; one fill of rice, and one quart of beer; and with two quarts of falt : two quarts of vinegar : four pannes of hard foap, and two pounds of candles, to each hundred Rations.

And for each non-commissioned Officer

and Soldier, one uniform coat; one waift-coat; one pair of woolen and one pair of linen overalls; one thirt, one hat, and one

rair of shoes.

For each convict the following Rations. viz. One and a quarter pound of meat, one and a quarter pound of bread; one jill of peas or beans, or vegetables equiva-lent thereto; and when they shall draw fresh provisions, with two pounds of soap, and two quarts of falt, for each hondred

And for the faid Convicts, the following articles of Cloathing, viz. Two thirts cone coat; one waiftcoat, and two pair of overalls; to be of different colours, agreeable. to Lim. The Cloathing for the Soldiers and Convicts to be of as good a quality as have been heretofore usually formished for.

that purpole.
The Contractor or Contractors, to have the benefit of the Labour of the Conviets, together with the use of the thops, tools, and necessary buildings, and the Commonstrate of the thops, tools, to the theory of the thops, tools, to the theory of the Commonstrate of the theory of t wealth to pay the expense of the Overfeer; excepting that the Commanding Officer of the Garrison may employ the whole of the Convicts four days in a year on farigue duty, without any expence to Govern-

THOMAS DAVIS, Treafacer.

BRUSSELS, Dec. 10. The young Count Buchhoby, a Profitan eimer, arrived here the day betore years-day, bringing the important news of the victories gained by the Dake of Runnfwick over the French, for three fueceffive days, namely, the 28th, 29th, and 30th. The battle of the 30th was the most bloody. About five in the morning, the French, their refrective Conflictations they may be led to forth decisions as will establish the liberty, peace, inferty, and honour of our country:—To infipire our friends and allies, the Republic of Marce, with a spirited wildom and true religion, that firmly telying on the firengh of Has Almighed the sample we for peace and the peace of the sample will be supported by the sample of the sample will go on professionally, the religions of Saxos, the Praisment of Hobelobe and Brant-

FF griffo began to mortify.—The mortify of their sequence conflict for a government wick and fonce Samon caralry, with unexpected personal control of their own, founded on the jost and qual ampled fury, 10 that, after a combat of right of men, full be faully crowned from hours, and having inferred great lof, right of men, full be faully crowned from hours, and having inferred great lof, with forcefs:—And above all, to easier the Saxon retired in diforder. Information of the saxon of the saxon retired in diforder. In the saxon retired in diforder and the saxon retired in diforder. In the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, with forcefs and the saxon retired in different great lof, and the saxon retired in different tit, to fpread far and wide, till the whore carth final be filled with H1s Glary.

And I do earneftly recommend that all regiment of Hutselohe began the strack unnecessary labor and recreation may be with the bayonet, and both parties fought furiously until fix o'clock in the exempt was the later wine of the exempt was At length the left wing of the enemy was not only recolled, but totally defeated by Gen. Kalkrenth, and formed towards mid Csen. Askereoth, and forced, towards mid-night, to fly five leagues before Lamtern: 7,000 of the French remained dead on the field; 2,000 prifoners, 15 cannon, and 75 catifions were taken. Thus victory, though fignal, was dearly parchased by the allies. More than 3000 men were flaughtered; the Saxons forfered greatly; the regiments of Hohenlohe and Branswick alone, had 1240 men killed: and a hattallion of Saxuns was entitely out to pieces; Gen.Kalkreuth wa mortally wounded, and 53 officers were kil led, among whom was the brave Adjutant General of the Duke of Branswick, Major Burchfield, who fell by a cannon ball while

receiving orders.

Next day the Duke attacked the French and as many wounded and taken. Among the former, were the two French General: Pichero and Horst. The lofs of the Proffigure, who purfixed with 16 foundrens of horfe, as far as Saarbrock, amounted to 1850 killed, 200 wounded, and force bug. dred milling or taken. lreds milling or taken.

1 have roll received a letter from Hagner

ore, dated the 3d inflant, containing an acnage, which has taken place fince the 28th, on the Rhine. The French it is affirmed have loft in the different actions, pearly L.cco men killed, as many wmnded, and 13,000 men histed, as many womodee, and, apon taken prilopers. The lofs of victe combined troops was little lefs, and may, certainly befaile to among the former, left of the former general former, left of the former general former left of the former general former left of the former general former left of the former left of pand 212 wounded, anceor whom were gen-crats. It forther simms, that on the fift of this mouth the French attacked all the Austrian posts, from Wangeman to Hague-nau, Brempt und Hochfielden; that their perialish had vigoroully repulfed them; that they returned to the attack eart day, but that after a und bloody action, they were again driven almost under the walls of Site flourgh. The Auditian General Country Kegieritch, by bith a hungarian, and 23 other ficers were killed. Our lots in thele two adjons appoints to 1500 men killed, and about as many wounded. The loss of the French is efficiented by Geo. Wurmfer,

to recent in entirated by Geat. warmer, at good killed, wounded and taken.

Primer Conkerte, our residing the account of these flagghten, faid to bis royal high-sefs, "our richoics are dearly purchased, my Lord, but these bandes were inevitable to preferre the positions occuliary for the combined authorizing that the primer."

embined a my during the winter."
Yellerday after dinner, Prince Cobourg visited the haspitals of Broffels, and was not only diffacished, but so very angry, that he purCaptain Schoenfeld, who had the direction of one in which was 1800 of the ficers. He inftantly ordered the Surgeon Majors to prefent him a plan within 24 hours, for the better freatment of thefe poor victims, and exhorted the flates to pay atrentian to the dreadful milery of thele brave ention to the deadful milery of these bave defenden of their country. The negligence in the hospitals, is so great, that it shocks humanity 3/500 flaty die daily for want of proper cate—the wonned are fearcely dressed once a week. They lie in garrett and in the pussings, on a little structured with rags. In a word, their structure is dreadful. Imperial Heed Quarters, at Haguenau, De-

Imperial Fleed Quarters, at Haguenau, December 1.

This day the French gave us a most furious battle; and the attacks were every where most vigoroofly conducted.

The rootliet Insted from day break until baced bright, when the enemy were altituded by croad and repulfed.

Dec. 2—eight fishs in the evening.

Yesterian year this day, bloodly actions have been fought. The partions did all they could no break through, but they were obliged to reteam with the left of fewer. obliged to retreat with the lofs of feven pieces of cannon. General Come Keglethe Dake of Boarbon received amound in his hand with the firoke of a fabre.

to him in France," and compare it with the
relation of a citizen of Virginia, in his
'Thought on the United States, we shall
be induced to doubt whether there are not be induced to doubt whether there are not Marquis De La Fayerre," fays this hifterian, "fands in America, on a bafe that the most refined malice cannot overshrow. There is not a fingle trait in his fife but we most recolled with pleasure, and which must make us respect him. His courage, which more failed him, is full life confpicaceus than his produce in command.

"It is not his military troows that has readered him most dear. The only doubt we can form, is to know if he was made greater by his wission or by his businessy; Amongst the many promofer the fecond, the Marquie DE LA FAYETTE," (ays this hifto hoard of any kind, will be condemned, splitfles not excepted; as they have actually by condemned a number of veffels and cargoes similar to ours at Montserat. The judge has declared that he will not proceed to trial, or pass any judgment, and it he re-ceives further orders from home, which we all expect will be flortly, and are in hopes that when the mail strives there will be fomething in our favor. There are now in this port 22 fail of American veffels, inden with French produce, fome of them with saloable cargoen. We have drawn up a memorial, which we purpose to lend to greater by mis without or of an numerity:
Amongst the many proofset the second, the
deliverance of the English Caprain BurLea thraid not be forgetten."
DIFD—In this town on Wednesday a menturnat wired we purpose to test-ment here, with the time of our capture, the matters' names, where belonging, and laft, MI-MIJAMIN THAYEE, TO LOCASO, reatrible dar ean circumste of all the property on board each veffel, which amounts to the fum of 3 0,000 dollars—too much interest to lay dead. There are feveral veffels which have WAN'TE Down or two good powers men JOHNERS, for face or fix months, for which good pay will be reade in the course of the station, by
