WHITESTOWN, May 14. The following may be depended on as fact: -Some boatmen were proceeding with a boat load of falt and other articles. valued at 60l. from the Onondaga Salt. Springs to Niagara. While passing Fort Ofwego, a detachment of British forcet, stationed to that place, feized the boar and Bationed to that place, feized the boar and cargo, and condemned them as a legal prize. The owner of the property feized, obtained information that a bone was different of from Nigara. Gome time force, to Scheneflady, on the Mohawk River, by the fubjects of his Briting majedy, for anicles to a confiderable amount. Exafperated at his diage at Fest Olwego, he writed a party of meo, and proceeded to the Three River Points, where they came acrofs the boat belonging in Nigara, on its rein m, with a cargo valued at upwards of three hundred pounds, which they feized upon as a reprifal of the property taken, from them at Fort Ofwego.

We hear further, that the banks of the rivers to the wellward are lined with propateers, in wait for boats bound to Niagers, and other British feulements, which ther are determined to detain, not only as re-prifals, but as violations of the embargo laid upon all reffels in the port and harbours of the United States.
