He now reads Paley inflead of Reckefer, nys bis annual cour, calculates interest on his notes, and vectors his bottle only his friends. He now points to the old fign of the panehhows, where fit, in reeling mer riment actively of topers! See there, fays he, puor Pell Bluffer had it not been for the puor Pell Bluffer had it not been for the cilmon.

WATERFORD, (Ireland) April 19. Six men charged with moft crust mur-ders, were laft merk committed to Kilken ny gaol, and will be brought to trial before

by gast, and will be brought to trial negote the prefent Judges of the Leiniter Circuit.
The fewage deed is thus related—A furmer having some to a fair, these desparadoes attacked his house in his absence, in order to plunder it, in which was the of the farmer, with a very young child, and a man and woman fervant.

Having gut entrance at the firest door, they fell upon the fervents and murdered them. In poor woman of the bufe being above thairs while the murders were committing, upon the first alarm, covered her child wim the hed cloths, and forced herfelf for enneralment up a etimn

The Refirms after dispatching the un-fortunate ferrants fearched every part or the house for their militers, but happily could not difeaver ber.—Finding the child to be delice. in the bed they mordered it in a manner too fneeking to relate, by whole eries the mercilefs monfiers haped to dear wretched mother from her retreat ; had the mornitying refolution to relift the unpurralleled barbarous firatagem, to preterve her own life.

After committing thefe marders, the hatbatians, plandered the house of a fam of minery, learnered the notice of a form of minery, feered themsilves upon fame pro-cisions they found mere and locked it my, retiting unto their house,—but left heised them in the boule a large stop; by chance, which behaviour of this cruel ban-seliti, and which was the case of their ap-

In a fhort time after, the farmer returned to his loufe—but was afforished at not being able to gain admittance into it. Upon which he alarmed his neighbours, with whole affifiance he broke open the door and entered it, and faw the fhocking form we have deferihed.—His wretched wife when the heard her hufband's voice,

wife when the heard ber hofsand's voice, came forth from the chimney.

The dog that the moreters left behind was fecured, and a magifirate being fent for, a conflictation was held for the purpose of devising the best means for differential that the strength of destring the despenders. It was at length-accordance of the dog cars and past of this fail, and fet him loofe, and to pursue him as he ran, as he probably would fly to where he came from.

This was accordingly done, and the plan fecceeded; for the dog see to a house at a great dillance howling with pain from the operation, into which he was followed by a person who, found the worken of the the Empetor mult make peace; that he will find millions to indemnify him for the ex-penses already incurred, but not a denier for continuing the war. Converting on this fubject with the commanding officer at. Routletar, "Were my advice to be taken

wer's happen to loofe to-morrow."
