22d of November 1793, and the 218 of ther shade than it dore, if we did not re-, the principle, which governor Simcoe aively to fill.

This is nevertheless a source of serious

ion, as it regards the internapeace of France, and will be deferving of all the attention, which philosophy and philanthropy can bedoe those in. To the valuative touch of time we must refer to the obliters is n of those remembrances, which may nourish individual referements for years to come. They will not forvive the prefent generation-perhaps they may be extinguished with the war, which occafinned them. It is bowever to be confessed and lamented that they cloud the fcene.

Should this fummary of the fireation a country which in every regard is highly intereffing, be the means of infinitering to your amulement, I shall be extremely hap-by—being with respectful consideration,

SIR. [AUTHENTIC.]

If after the information, upon which my letter of the 20th May, 1794, was founded, and confiderable doubt had remained of Garer or Simone's invesion your long fileace without a refutation of us to auction its truth. It is farmered by the respectable opinions, which have fin been transmitted to the executive, that in the late attack on Fort Recovery, Eritift officers and Bristh foldiers, were on the very ground aiding our Indian enemies. Bat, Sir, as if the Governor of Upper

Canada was refolved to defiroy every pos-fibility of disbelieving his hosile views, he has fent to the great Sodus,—a fertlement order a mil. ary efcort; and in its tone coref; onds with the form of its delivery, bring unequi-ocally of a military and

"I am commanded to declare that during the inexecution of the treaty of peace between Great Littin and the United States, and until the existing differences respecting it, shall be materally and finally the taking possession of any paof the Indian territory, either .o. the par-poles of war or lovereignty, is seld to be a pofes of war or fovereignty, is held to be direct violation of his Britannic M jely rights as they u-questionably existed be fore the treaty, and has an immediate teadeflere, hat good one effending which has hisher of ubfilled between he Britannie nas niner o unitated between he Bernannie mei fily and the United State of America. I therefore require you to dell from any fuch as greding, R. H. Sheafe. Lieu, 5th Maf. Gen. D.pt. of Birannie Majeffy s fervice. Great Sodas,

16th August 1794. Capt. Williamson being from home, a letter was written to him by Lientenan Sheaffe in the following words

" Sudus, 16th August 1794. Sir, hav ing a foccial committion and infirection for ther purpose from the lieut, governor of his Estauric may fly's Province of up-per Canada, I have come here to demand by what authority an effablishment has been nedered at this place, and to require that fuch defign be immediately relinquift-ed, for the realons flated in the writen deed, for the feature haded in face written de-circation accompanying this letter; for the receipt of which proteft I have taken the acknowledgment of your agent Mr. Linde. I regret exceedingly in my spi-vare as well as public character has I have not the fastsaction of feeing you here, but I hope on my it turn, which will be about a week hence, to be more fortunate. Iam, Sir year most obedt, fervt. R. H. Sheaste L: 5th Re. Q: M: G: D:"

The polition of Sodus is represented to he feventy miles within the territorial line of the United States-about twenty from Ofwego, and about one hundred from Niagara.

For the prefent, all causes of discontent

not connected with our western territory, shall be laid aside; and even among these, shall not be revived the root of our complaints, the detention of the polls. But while peace is fought by us through every channel, which honor permits, the govern-or of upper Canada is accumulating irrita-tion upon irritation. He commenced his overations of country at the rapids of the Miami. He next affaciated British with Indian force to affact our fort. He now threatens us, if we fell our own trees and build houses on our lands. To what length may not governor Sincoe gu? Where

February 1794, no introctions had arrive d from your court. To fay the bed of this fulpention, it certainly cannot warrant any new ener-achments, how foever it may recommend to as forbearance under the

It is not for the governors of his Britan nic Majefie, to interfere with the meafares of the United States towards the Indians within their territory. You cannot, Sir, be infentible that it has grown into a maxim, that the affaits of the Indians within the boundaries of any nation exclusively belong to that nation. But governor Sim belong to that nation. But governor Sim-States, extends the line of oferpation, in which he marches, by referring to the ancient and extinguished rights of his Brictent and extragathed repar of his Bri-tannic majefly. For, if the exiting con-dition of the treaty keeps them alive on the fouthern fide of lake Ontain, the Ohio in-felt will not flop the carter, Yen will pardon me, Sir, if under thefa-

exe-fles of governor Sincee I am not dif. raffing very hard upon Renaix! couraged by your having formerly dif-claimed a control over, and a responsibil hypor, the governors of his Britannic m. rting to you on this occasion You are addreffed from a bope, that if he will got be reftrained by our remonfirances. he may at leaft be apprized, through you of the confequences of felf defence.

I have the honor, fir, to be With great respect, Your mit obedient fervant. EDM : RANDOLPH. ammond, minitler plenipotentiar of his Britannie Majeffy.

LATE EUROPEAN INTELLIGENCE.

CONTICQ. July 18.
The French, from their very fup-numbers, continue to advance. In A few Heffins and Tyrolers only were in the place, and they retreated to Wal-heim in the evening. Next morning we lound it prodent to pass the Ropell by the Bridge of Welheim, which they immedi stely burnt. The town, the enemy to meerect recomme on the banks of the We did the fame on the opposite fide, and a heavy cannonade was foon after com-menced, which was kept up during the
