ET Hufbrads bouft & at me rave. Though they declare they knew no blifs, No fure subflantial happiness, Till they had fought and found a bride, And Hymen's knot was firmly tied. Yet pendent from each brow, I fce, Hangs trouble and anxiety; Contentment is a firanger there, Continued to a tranger upon to No peace, or comfort, all is cate; The fruits that crown the haft-pads bed Are horns, projecting from the head; Thus jealoufy with too much ground. In overy hoth-make bread is found.—Not fo the flacueties, at his rair, Goes when he will, comes when he pleafe No woman's clock with horrid notic, Shall check the progress of his joys, Or drop his spirits, spail his pleasures, Or drain him of his earthly treafures .-No brawling brast differe his reft, Anger no'er rifes in his breaft; No chaffing founds of woman's tongue, That through the harband's ear has rong Like chariots, rattling o'er the ground, Can e'er within his dwelling found; But peace and pleasy crown his life, But benpeck'd bufbands live in fear. BILL CRONY.

An Act in addition to an act defining the general powers and dottes, and regulating the office of theriffs.

B. it would by the fenate and boufe of

D representatives, in general court offen bled, and by the ambority of the fame, tha the judices of the several courts of com mon pleas, be, and hereby are authorifee and required, in the term of faid court. which thalf be held in course in the fer eral counties, on, or next after the laft Tuefday of June annually, to confider of the fufficiency of the fecurity given by the facific in their respective counties; and in case they that find and determine the fame to be infufficient, they faell coole a record to be mide of fuch determina-tion, by the clerk, and thall also cause the theriff, whate feeting that he found in-fufficient, to be ferved with an attefied copy of faid record; and failt require him to procure and give new fecurity to the fatisfaction of fail judices, on or before the term of the court next following the term in which faid infufficiency fail be recorded as aforefaid.

recorded is aforefuld.
And be it further enable by the authority
of small, that it may firethe thall neglect
to give feeting, as required by the set to
which this is an addition, or thall neglect
to give the new feeting which may be reregarded by the justices of the court of com-mon place in his county, purious to this act, he fittil forfeit and pay to the use of the commonwealth, the sum of one bundred and the sellers, for each month's neglect, to be received by allies of debt, in any court proper to try the fame; and it shall be the day of the attoracy-general to professite for the fame; and the name of fuch theriff, regleding to give or renew his fearity, as aforefaid, fiall be certificated. ed by the court of common pless, in his county; to the governor and council; and allo to the attorney general; and the governor, with the advice of council thall the reupon remove such theriff from his of-fice, and appoint some other person in his fread ; unlefe resfonable coufe to the failtreat; anteis restonable cuttle to the Istitiation of the governor and council, field he affigued for faid neglect, and unleft forch fluriff, whose name and neglect finall be certified, as aforefaid, finall give or renew his fecurity, as the case may be to the faithfaction of the governor and council, within twenty days after the faid certified. tificate shall be made as aforefaid.

threate thall be made as aforefall.
And be if prieter enacled by the authori
ty afarriaid, that that part of the fift enacting clause in the act to which this act is
a actition, by which all services done by
any theriff, in case of neglecting to give randered null and void, be, and hereby is repealed.
In the bonfe of representations,

This bill having had three feveral-sead-ings paffed to be enacted. EDWARD H. ROBBINS, Speaker.

NORTHAMPTON, (Mafferbafetts) PRINTED AND PUBLISHED BY WILLIAM BUTLER.

[Vol. IX.]

WEDNESDAY, APRIL 8, 1795.

OUR city is in the greatest agitation over fince last night. There are unital rejorches at the late fadden events, as the factor resound with applaces. The National colours are displayed on the in house, and all hats are decorated with kinional cockades. The Tree of them is planted before the Town House, still is guarded by some French Hussars,

ed in town. rismined in town.
The city of Utrecht forrendered laft whethold French, upon condition, that my fall preferve liberty of religion, fafe-yel persons, and property. Immediately far fone French troops entered the town, higgeratuated by the troops of the state. 1AN. 20.

Yherday, this town was literally taken referenced by thirty French Hoffars. Imeditely after their arrival the Tree of finny was planted in various parts of the gan. The people immediately mounted in Nitional Cockside, and nothing for a send joy, Vivella-Republique I Vive la finette lect. we're heard in the finette. So Smuday Dottor Keaassenope, (a godenn who half been lately banified fire the towal arrived here, with a letter from the French General, which preputed the regeacy for the reception of the Frand semy. Five thousand men, with Gm. Pickepra at their head, entered this entire, Much to the honour of the Frenchroops, and of the people at the head distin here, no kind of rior has taken there; not a fingle citizen has been injured, the; not a fingle citizen has been injuted, she in his person or property, and at pre-ter, joy the most enthuliastic pervades the state town:

the joy the mon cannature parameter state on state two.

The French are at length completely tamphant unders of Hafterdam; in a few by they will give laws to all Halland lare Sonday, the 18th, near 40,000 men are entered the capital and the adjacent line, and thefe, we understand, are only term of the Franch army, as the whole takes of troops defined for thefe promanament to 100,000 men. Haarlen, Lylen, &c. after the example of this city, we before hand with the victors, and at the moment I am writing, have all fub. limb.

The Patriots here afted fo thoroughly in the Patriots nere acted to thoroughly in meets with the Franch, that the Orange pay found new conditioned authorities, talk they were doubting whether the Imah had advanced as tar as Urrecht. The inhibitants on their waking in the examp sheld the National Colours waving over the Haul de Ville, and infinally this colour found to the Colour waving over the Haul de Ville, and infinally this colour deceded as the Colour wave. in-coloured cockade was worn through

the coloured cockade was worn invoga-et the city.

The revolutions of this city are flamped with a charafter totally different from all these conded in the hiftory of preceeding

That of Paris was diffinguished by the midity and tranquility with which it was trand, corfidering the obliacles prefeated in the transparent of the country, and a mineral by the throne; but of his by the extent of the country, and the tweets enjoyed by the throne; but the which has just raken place here, possible in it something nearly miraculous. Not one then the home through the miraculous of the country in the country of the coun incorproperty been attempted. All parties in equally fale, and no circumstance re-Sets note hone on the Dutch Patriots than this conduct in a fituation where reprifals again have been excufeable. Apprifed of determinat was to occur, the inhabitants and to protect the magazines, and mainminist police. Songs and dances are ev-minist police. Songs and dances are ev-or, where witnessed—Amsterdam in fact fixen as if a fair were held in it; no octhem bes been interrupted; and the trees, at if nothing extraordinary had

"We once more hail you, worthy fellow citizens. By your own particulin, with the aid and under the guidance of feels. Reconfigure and the second of the second or the second of the second or the second of the second or the seco fach Representatives, order, tracquility and happaces, will reign in this city. The Frenchmen who are among us conduct themselves, indeed, like brethren. Every idea of plunder, of rapine, or of injustice of any kind, is unknown to them. Fra-ternity with them, as with us, is the sonz

or Depth of THE DAY.

"In the name of the Revolutionary Committee, P. J. E. VANDER AA."

Amiliadam, the 19th Jan. 1795, and
The First Day of Dutch Freedom.

French Official Account. NATIONAL CONVENTION, Jany 27. CAPTURE OF AMSTERDAM.

The people, among whom the report of he capture of Amferdam, had been circulated, affembled round the Hall of the Convention in such numbers that the Mem-bers could with difficulty reach their seats. Canaur, from the Committee of Pab-

Carson and minerally relate the first carson and members of the first carson and the Cammittee of Paulie Safety, appeared in the Tritone, a midd the louded phaddin. He read the following letter, dated Amferdam, from the deputies with the army of the North — Treafures, magazines, atfentla dock-yards, velicit," they fay, " all are one. We cannot compute the advantages of this glorious congoeth. It gives us in the affairs of Europe a preponderancy, of which it is impossible to calculate the effects and result. Two of the are to depart to Paris, to give you more ample details and useful. to give you more ample details and parti-

" Every where we have been received with the greatest festernity. We have fent detachments to take possession of all the towns and firong places. The Dutch Army was reduced to 10,000 men. The States-General have already dispatched orders in confequence, to make no longer relifiance. The Statibilder and family have fled and

left us quiet possessions of the whole."

It was proposed to decree, that the sum of the North had not ceased to deserve well from their country; A member obfer-ed. it would be more appoint to fay, the

ed. if would be more appeare to say, for Herces of the North.

CHARLIER opposed the amendment, hecause it was well understood that every.

French Seletter was a Hero.

Sender of AMSTERDAM, &c to the the names of the others you will find in the following Proclamation, which was yellerday ifford, will be followed by that of Harrism, and

with the followed by that of Haerlem, and by the other towns of this Paovinces.
Yellerday the Burghers required of the Members of the Regeacy, now infeffed with the Magiffracy, the re-effablishment of the city guards, diffunded by the Prefina Troops in 1787.—Some of the principal citizens were reguelled to reprefers this matter, and accordingly addressed the Burgomasters assembled, in a speech, a that effect. This was affented to, and orthat effect. This was silented in, and or-ders iffused in confequence thereof; arms were given to the citizens, whose primary object has been to preferve order and tran-quility, which has not been one moment interrupted. The day passed without the left also. eaff differbance; and we underfland two Deputies have been fent to the French Army, informing it of the new order of things.

LONDON, Jan. 21. LOKDON, Jan. 21.
The furtender of Utrecht is confirmed;
our letters, however, flate, that it took
place under articles of capitulation, which extended to the whole of that province.

Three veffels with a great number of prilengers on board, striked yellerday morning at Dover from Flaffring, from which place they failed last Tuesday. Arthat timeth was the property of the place they failed last Tuesday. time the French were not in possession of the three unservines were not in patients of the trown, but it was house expected that it would be fourendered to them. Six men of war, three of which were of the line, were at anchor in the hathour.—Major Miazur, (late of the 87th regiment) who also left Highing on Tuckley, and arrived in town yellection, brings the following intelligence.

intelligence : On Sanday last, the French formmone Bergen of Zoon, the garrilon of which con-filled of 4,000 men, including the 87th British regiment, the numbers of which British regiment, the nombers of which might be efficiented at about 620. This celebrated fortress was at that period in the most perifect state of defence, not only with respect to troops, but also as to providens and military flores. But Gen, Le Malle, who commanded the French army before it, having tent to the Governot, a Proclamation which had been issued by the States General regulates in the Commander of the States General regulates in the Commander of the States General regulates in the mation which had been iffued by the States General, requiring in their name (in configurate of the StartHoLDER kewing abjected binsieff) all the garrifon town of the United Previours, to furrender themselves to the French, Articles were immediately proposed by the Governor, which were as readily acceded to by the Commander of the French forces, with the exceeding of one which was proposed. Commander of the French forces, with the exception of one, which was proposed for permitting the British troops to return to England.—The reliable of this occasions of some days, during which Major Misable left the place, be being, in confequence of the contract which was the summer which will be the place of the pl comotion in another regiment, which had ome days previously been notified, no lon-

four days previoully been notified, an longer confidered as one of its garrifon, and received leave of a blence accordingly.

From Burgen at Jean, Maj. Metale proceeded to Fisicing, which was not on his arrival abolutely in the power of the French, but where two of their committioners had anyived to receive the furnedeer of the whole iffund of Walcheren and its fleet.

fleet.

FEB. 9. Some later accounts than those which we flated on Saturday creating, were received yellcular from Zealand, being broughely a boat which made its escape to from Flybing, which place it left on Friday Laft, at which time the whole of the illand of Walkeran was occupied by the French, who came over from Caddon in the best carbo of which waited the post carbo of which waited. and in ten boats each of which carried 65. ty men. This is therefore, probably the last intelligence that will for some time, be brought direct from the United Provinces, anders it be by fome neutral velicl, as the whole of their coast is now decidedly in the hands of the French.

freth breeze from the north-eaft, they were, by funfet, all clear of Wight.

FALMOWYM, JAN. 27.

About an hour ago, arrived here, Capt. Y gecomes, lue of the King Gerge Packet from bence to Lifton, which was taken feveral months ago, together with Mr. Moore, his flowerd, gitter a padinge of 82-hours, from Broft horbour. They broke prilion, and feitzed an open boat, the wind being favourable, they came quick and fafe; from their account, feveral more, in different boats, are boarly expedied, particularly Mithers, Docton, and Officers. They affirm, that the French theet, confiding of 35 fail of the line and 12 fingstes, (exclosive of the Resolutionaire) failed from Broft, the 16th of December lift, and are not yet returned. That 12 fail of them, all line of battle thips, were completely manned and victualled for fix mounts, the reft were only victualled for fix weeks, reft were only vicinalied for fix weeks. Their intentions and deflinations entirely

TORNAY, FEB. 1.

This inflant the Grand Fleet under Earl

How, are all returning to Torber, having
been no further than the Eadiflore, owing to heavy gales at W. S. W.

to neary gales at W. S. W. Accounts, we understand, we received left night at the Admirally, of the return of a division of the French fleet, confiding of 12 fail of the line, to Brigh, on the 30th old. In a flattered condition. The remainder of the French fleet, it is reported, but we believe on flight grounds, is gone into 12 fail of the 12 fail o into L'Orient

SUMMARY.

SUMMARY.

In addition to the above particulars of the cleape of the Stadtholder, to England—the capture of Amilierdam, Lepden, Unrecht, &c. we can by, that she last official lettern from the British array, were dated at Dears, Jac. 23, and that they had retreated a cross the Ifist.

That no detail of particulars of the capture of the Dorth navy is given 1 but from the Stadtholder's cleaping in a boat, it is imposed be could not bring off any of the way:

navy:
That the STADTHOLDER escaped with
the greatest difficulty from Helland—the
populace, having beset him on his flight to
the boat; which he did not attain, until his body guards had cut their way through

his hade genres had cut merr way stronga-then.—

That motions for Peace with the French had beed repeated to the Eng. Pathiment, in the Lords by the Dake of Redferd, and in the Commons by Mr. Gray, and nega-tions have been realisting.

tived by very large majorities:
That all the great towns were petitioning

That all the great towards and for Peace;
That the Petition for Peace from Manchofer was figned by 25,000 anims;
That the minority of the English Parliament was increasing; and from 40 had got

to go odd;
That the French fleet had returned in-
