NEWARK, May 27.

A melt melaucholy event took place in this men on Monday 149; Mr. Berjamin Cleveland, filterimith, buried an infant child about feven months old, on the 12th inft. the loss of which . flicted his wife with a fond he first d and two finall children to follow her infrantism the regions of death, which the accomplished in the following the first of those places may be had, always.

About mid day the expretted a detire to go into the church-yerd to vifit the grave of her infant, and requested her husband to He did not oppose her going, thinking it might tend to alleviate her grief by givmight tend to alleviate net grief by giv-ing vent to it. He obleved as the parted from him the tear flanding in her eye-After the had been foun time gone, he locked into the church-yard, to which his house is contiguous, and faw her fatting on the grace of her child. Auxious for her return he, a few minutes after, looked our again, and observed her lying extend ed over the grave. Alatmed with the apprehenfion that the excels of her grief ight pelibir have thrown her into a fit, he hallound to the foot, where bornd to read og feethe's of his beloved wife, webering in her own blood, and jeff exread of the control of the piring ! See had teken a rear with her, with which the had out her throat quite

through the wind pipe!
This fell into an untimely grave an ami-able coman, in the bloom of life, whole monary will be lang dear to ber acieh bers and sequiprance; while the recol-lection of the disrelated circumfraces of her death will excite mingled emotion of pary and bostor.

"Habbasiffon, June 25, 1795.

"The following metanchily accident took place in this town on Monday lish. At the rising of a hande helonging to Mr. John Woods, jun, two of the polls after being rising, fell down, occasioned by the file giving way, in attempting to rising to other noise, one of which fluck a Mr. other polis; one of which firek a Mr. Amaia B lloss, on the head, which put an inflant period to his exilence. He has left perents in the decline of life, a wife and one child, and many other connexions to lament his lofs. Several others were wounded, but none we hope mortally. It is hoped that all maffee workmen at frame will take the utmost care in preparing

TREATY OF

Amity, Commerce, & Navigation. BETWEEN Britanic Majefy, and the United States of America.

If their PRESIDENT, with the advice and confent of their SENATE.

PHILADILPHIA. Jane 19, 1795.

SIR,

1 have from in year paper of this date on theil of the late Treaty between the U and States and Great Britain, subject the

e perfealy corred is nearly fo. As this publication will probably excite a as the publication while precably excite a unifaper disc. Here, it is of importance that the people finals of Jeffs a full and accurates tendedge of the fubjest to arbicle their at imility of the paper to author their at takin may be drawn, and which I listed bullrady been improperly whicheld from them. Lift therefore the Treaty should be upfaced more forwardle, or recognized in high fo, them it really it. I lead you here n up 19, total really it. I feed you liver-with a genine copy, subich you may correct you flatenest by or make fuch other upe of a you please; for the purpose of groing in the minus of America full instruction respect-ies with immunity to I. I. athis momentous buffineft. I am, Sir, your abedient Servant,

Stes. Thon. Mason. [One of the Senators from Virginia.] Benjamin Franklin Bache, Editor the Akrora.

HIS Britannie Mujely, and the United action America being defirout by a trea-tof Amity, Commerce and Navigation exeminate their differences in such a man heir differences in fuch a man t, as without reference to the merits of is respective complaints & pretentions, try be the best calculated to produce must assert and good understanding : hid also to regulate the Commerce and swigation between their respective connections. sterritories and people, in fach a man to render the fame reciprocally benrist and fatisfactory; they have, refively named the Pienipotentiaties, and namely named the Plenipoteniaries, and from them full powers to treat of, and naclude, the faid treaty, that is to fay; in Britannic Majeffly has named for his Pulpotentiary, the Right Hon, William Nyddiam, Baron Grenville of Worton, te of his Majefly Poire, Compile of his Majedy's Privy Council, and aMij By's principle Secretary of State a Foreign Affairs;—and that the Prefit stof the United States, by and wish the trice of the Senate thereof, hath appointfor their Picnipotentiary, the Han John 17, Chief Juffice of the United States, of their Envoy Extraordinary to his Ma-

efollowing articles : Asr. I. There shall be a firm, invinishle rerfal peace, and a true and fincere ip between his Britannic Majefly, adhip be heirs and forceffors, and the United nes of Arcica: 2 and between their ref-dire countries, territories, cities, towns a people of every degree, without ex-

Price of perfore or places.
Arr. II. His M j. thy will withdraw all it moys and garninos from all posts and then within the boundary lines affigued y the treaty of peace to the United States. The execution shall take place on or between the thing of the place on the latter of the thing of the place of t concert between the government of the eral in America, for fertling the previstrangements which may be needfary beling the delivery of the faid polts. blond States in the mean time ar their letion, extending their fettlements to part within the faid boundary line,ex Apri within the faid boundary union of No higher or other to us or race.

No higher or other to us or race. the fair points. All rettiers also are within the precincts or jurifdiction the fair polls, thall continue to enjoy, saided, all their property of every the and hall be protected therein. They be at full liberty to remain there, or least it hall also be free to them to teir lands, houles, or effects, or to reto the property thereof, at their difere-

fide within the faid boundary lines shall industry fines shall in our be compelled to become clitzens of the United States, or to take any each of aller giance to the government thereof, but they have been given to the government thereof, but they have been given to the government thereof, but they have been given to the government thereof, but they have a discourage and are not attempted to be in any manner fold or exchanged during their parties, excell the fines, and proper regarding of they half make and declare their election within one year after the exception after the exception after a first the excitation of the continuent the parties who there are the parties of t United States, or to take any cash of elle-giance to the government thereof, but they thall be at full liberry for to do, if they thick propers, and they hall make and declare their eledion within one year after the ever-viousion afordaid, and all perfors who shall continue there after the expiration one faid year, without having declared their intention of remaining solytics of his their intention of remaining solytics of their intention of remaining fichjetts of his Britannie Majetty, thall be confidered as having elected to become citizens of the United States.

ART, III. It is agreed that it shall at all ATT, III. It is agreed that it man et am times be tree to his Majery's (bijects, and to the citizens of the United States, and alto the citizens of the United States, and alto the fail boundary line, I realy to pair and repair by land or inland navigation, into the reference between the results of the reference territories and examples of the respective territories and countries of the two parties on the continent of Ameria [the country within the limits of the ca [one county withou the firms of the Hudfoo's Bay Company only excepted [As to navigate all the Laker, Rivers, and Water's thereof, and freely to carry on trade and ecometree with each other. Bet it is underfined, that this acticle does not extend to the admittion of welfals of the United Street into the Search Harbonson Street Country of the Coun tens to the sommon of venest or the co-nited States into the Sea Ports, Harboors, Bays, or Creeks of his Majesly's faid terri-tories;—nor in fuch parts of the Rivers in his Majesty's faid territories as are between the mouth thereaf, and the highest port of the mouth thereet, and the higher port of entry from the Sea, except in fmall vedfels trading brea fide between Montreal and Quebec, under furth regulation as hall be enablished to prevent the possibility of any-fraeda in this respect. Nor to the admitted from a Braits vessel from the Sea into the Rivers of the United Stites, beyond the highest Ports of course in fearther with the Ports of course in fearther with the proof of course in the proof of the p Rivers of the United States, beyond the highest Ports of entry for foreign vessels from the Sea. The River Missippi stall, however, according to the Treaty of Peace, be entirely open to both parties; and it is further sereed, that all the Ports and Flaces on its Eastern side, to whichforever of the parties belonging, may freely be reforted to, and used by both parties; in sample a maner or any of the Advances. ample a manner as any of the Atlantic ports or places of the United States, or any of the ports or places of his Majelly in Great Britain.

Great Britain.

All goods and merchandize whose importation into his Majety's faid territories in America, shall not be entirely prohibited, may freely, for the purposes of Commerce, he estried into the fame in the man merce, be earried into he fame in he man-net aforefail, by the citizens of the United States, and fuch goods and merchandize. In all be fullyfird to no higher or other du-ties than would be payable by his Migray's fullyfird on the importation of the fine-from Europe into the faid territorie— And in like muner, all goods and mer-chandzes whose importation into the United States fhall not be wholly probibited. may treely for the purpoles of Commerce, he carried into the fame in the manner aforefaid, by his Mojetly 's fubjects, and fuch goods and merchandrz-thall be fubject to no higher or other duties than, would be payable by the citizens of the United States on the importation of the fame in Ameri on the importation of the fame in American vedicis into the Arlantic ports; of the faid Strates. And all goods not published to be exported from the faid determines, respectively, may in like manner be carried out of the same by the two parties reflectively spring duty as afterfaid.

No doty of entry final ever be levited by either of the properties of the same between by either parties on peltries brought by land. or inland navigation into the faid territo. ries respectively, nor fall the Indians pallres respectively, nor findl the Indians pading or repuling with their own proper goods and effects of whatever nature, pay for the finds any impost or duty whatever, Bart goods in bales, or other large packages unufual among Indians thall not be confidered as goods belonging bona fide to Indians.

As this article is intended to render in a great degree the local advantage of each party common to both, and thereby to promote a disposition favorable to friendships and groot erigiborhood, it is agreed, that the ecfactive governments will mountly promote this amicable intercepting by caufing spready and impartial joffice to be done, all who may be concerned therein.

Ant. IV. Whereas it is uncertain whether the River Miffifippi extends to far to the Northward as to be interfeded by a line to be drawn due Welt from the lake of the Code in the manner mentioned in the the Jointed States, it is agreed, that mea-fures that he taken in concert between his Majely's government in America and the gostroment of the United States for making a joint force, of the faid river from case degree of latitude below the Falls of St. Anthony, to the principal forces of St. Anthony, to the principal foorces of the faid river, and also of the perts adja-cent thereto: and that if on the result of such furvey, it should appear that the faid d not be interfected by fach a line as is abovementioned, the two will thereupon proceed by anicable nego-ciation to regulate the boundary line in that quarter, as, well as all other points to be adjusted between the faid parties according to justice and mutual convenience, and in conformity to the intent of the faid

Treaty.

ART. V. Whereas doubts have arifended under the Air. V. Whereas doubts have aftien what fiver was tuly intended under the name the fiver Sc. Croix, mentioned in the first Tresty of Peace, and forming a part of the boundary therein deferibed, that question full be referred to the find the question of Commissioners to be appointed in the following manner, viz. in the following manner, viz.

One Commissioner shall be named by

One Commiffioner thall be named by his Mi-jeby, and one by the Prefident of the United States, by and with the advice and confent of the Senare thereof, and the faid two Commifmourn hall agree on the choice of a third; or if they cannot fo agree, they hall each propose one perfon, and of the two names fo proposed, one fall be drawn by lot in the prefence of the two original Commiffioner. And the three Commiffioner for senated to the two original Committoers. And the three Committoers to appointed, thall be favour importally to examine and decide the faid question according to fuch evi-dence as thall respectively be laid before them on the part of the British Govern-ment and of the United States. The faid mmifioners thall meet at Halifax, and hall have power to adjourn to fuch other place or places as they fiell think fit.—
They fhatl have power to appoint a Secrepersons as they shall judge necessary. The contain a defeription of the faid river, and thall papicelarize the latitude and longitude of its mouth and of its fource. Duplicates of this declaration and of the Batefinancia of their accounts, and of the protection. The faid Commillioners thalf first meet at
of their proceedings shall be delivered by Philadelphis, but they fifth have power to
them to the Agent of his Majethy and to adjourn from place in place as they find be respectively appointed and authorized to manage the business on behalf of the res-petitive Governments. And both parties agree to consider such decision as final and

ceedings, the British creditors cannot now obtain, and actually have and receive full and adequate compensation for the losses and damages which they have theteby fusianted it is agreed, that in all facth cases where full compensation for fuch losses and damages cannot for whatever reason be adealy obtained, had and received by the failed creditors to the ordinary counted in latter, the Justice Stevens ccircl by the faid creditors in the ordina-ty course of judice, the United States will make full and complete compensation for the fame to the faid creditors: But it is difficilly undershood, that this provision is to extend to such judge only as have been occasioned by the Lawful impediments a-forefaid, and in not to extend to solities oc-casioned by such infollency of the debtors, or other causes as would equally have ope-rated to produce such lost, it the faid im-pediments had our cuilled, nor to such less that or damages as have been occasioned by the or damages as have been necalioned by the

or danage as have been occasioned by the manifed delay or mg ligence, or willolomilion of the chimate.

For the purpose of ascertaining the amount of any fact that the chimate.

For the purpose of ascertaining the amount of any fact less and damages, five Commilioners, shall be appeared, and subthvixed to meet and act in the manner following viz. Two of them that he appeared by the President of the United States by and with the advice and confect of the Senate thereof, and the fifth by the outcomoses voice of the other four a and if they should not agree on such choice, then the Commissioners and by the two purites shall respectively, propose one person, and of the two names so proposed, one shall be drawn by lot in the presence of the four original Commissioners. When the first commissioners in the special commissioners who appeared to ast respectively, take the following cath or especially take the following cath or respectively, take the foll affirmation in the prefence of affirmation in the prefence of each other, which oath or affirmation being fo taken and duly smelled, thall be entered on the record of their proceedings, viz.—I. A. B. one of the Commillioners appointed in perfusace of the 6th Article of the Treaty parinance of the 6th Affice of the 1 reasy of Amity. Commerce, and Navigation, between his Britannic Majety and the U-nited States of America do folemaly (west, or affirm, that I will honeftly, dilligently, impanially, and carefully examine, and to the best of my judgment, according to judice and equity, decide all fach complaints, as under the faid article shall be preferred to the faid Commissioners : and that I will forbear to aft as a Commissioner in any cafe in which I may be perfenal-

In intercled,
Three of the faid Commissioners shall constitute a heard, and shall have power to do any all appearating to the faid Commission, provided that one of the Commission, provided that one of the Commissioner shall be referred, and all decidents shall be made by the majority of the calery of the Commissioners that one of the calery of the Commissioners are not shall be made by the majority of the calery of the Commissioners are not shall be made by the majority of the calery of the Commissioners are not shall be made to the calery of the Commissioners are not shall be made to the calery of the Commissioners are not shall be made to the calery of the Commissioners are not shall be made to the calery of the Commissioners are not shall be made to the calery of the caler the voices of the Commissioners then The the faid Commissioners that! form a hoard, perions as meg (131) jouge necerlary. The chaid Commissioners shall form a board, faid Commissioners shall form a board, and be acted to pushed and be acted to pushed to business, and appearance their bands and feals decide what river is the River St. Croix intended by lifetions; but they are nevertheless and the Treaty. The faid declaration shall contain a defeription of the faid river, and it shall particular the latitude and lower.

The faid Commissioners in examining specificely appointed and authorized The land Commitmoners in examining anages the budiness on bright of the refire Governments. And both parties to comfider such designs as final and significant and applications so preferred to them, are empowered and required, as to confider such designs and significant such as the first such as the s cascinus, so as that the same man never for the called into question, or made for interest, or interest, or interest, or interest, and to determine the same respectively. disms.

No higher or other tells or rates of fettings than what are or fluid be payable by natives, shall be demanded on either fide; and no duties fluid be demanded on either fide; and no duties fluid be demanded on either fide; and no duties fluid be demanded on either fide; and no duties fluid be demanded on either fide; and not have been duties fluid be demanded on either fide; and not have been duties fluid be demanded on either fide; for the outpote of being immediated fluid being been on either fide; for the outpote of being immediated for the fide of the sabe been delayed, that all of the value and feenity thereof here been, in evidence according as they may this to value and feenity thereof here been, in the fide of the fide of the sabe been delayed, that all of the value and feenity thereof here been, in the fide of the fide
