ROM Hear'n's wide concave, where fore The eye of Merey beams upon the bleft; Look down anointed fpirit of my child, And view the anguish of a parent's breaft.

Yet rather turn from milery and woe, Then dearest offspring of committed love; Not let a mother's wretchedness below, One moment dash the happins above.

Ob, nature ! then my sching bolom arm, With force of fool to play my trying part;
Thou who with magic hand haft fix'd thy
chairs, child to firengly round thehears.

Dear, loft Eliza I in thy infant years, When fereenels lifping prattled o'er its toys,
One fmile of thine would diffipate my
And fill my busem with a thenfand joys.

The winning fofturis and thine article truth The flarting teats from milery have finle; Supplied the hursed buffsand of my youth, The first and last possession of my foul.

Then wert that all which fortune had beflow'd. T' ender this transcent and unreal flage;
To finouth life's weary and fatiguing road.
And obcer alice infermity and age.

What frence of fancied pleaforer would trace,
The little race of petitlers to attend;
And past the finet recalidet of my days
A grand-child's parent, and a daughter's friend.

Delefer dreams! return to glad my years, O rife egain in all your form to tair! Deseftion now for hanginess agreeus, And grief array'd by follude and care.

Parden fuß beaven; ber where the beatt

torn,
The homen drop of historich will first;
Norces we lofe the privilege to mouse,
Till we have left the faculty to feel.

Religion come I thru filter of the feles, And quickly lift thy folurary rade: Nor let this during argument of fighs, Two boldly tax the juffice of my God.

O! make me, then, all-feeing pow'r refign'd, Thy awful first hearthly to receive;

And O I forgive the weakels of a mind

Which feels as monals, and ze feels must grieve.

And you, ye dames! your foliting team em

ploy, You who can paint the farrows of the blow; For who that never felt a mother's juys, Can guess the drash and wideness of her wee.

From the Farmer's Weekly Muleum.

CONSPIRACY.

PRODUCT, REPRESENTATIVE OF THE PEOPLE,

[-Vol. XI.-]

TO THE LEGISLATIVE DODT.

Citizent,

On the safe of Florest, at it in the forcesses On the side of Horsel, at 11 in the focusors, I was arrived in a hone with fire other perfous who had met by appointment to breakful. I an ignorm of the motives which had induced the miniter of the guerral police to appending the citizens, whom it met for the fole propie of confliding on a letter which I had writen the remain gludiese, to the prefident of the executive, directory. The anti-er of this letter I had not then received, though I expected it with impatience, that I might describe upon the courfe, which I ought to purifice. My introdion was to-conflict these citizens on what was most convenient to be done for the public transpolity, and at the render the likenefs complete! It is to be hoosed that England will from have the goodness to give us one of far own four; for at the period when I left France, the Royaldy and the intriguers had proposed to call the Date of York to the thorne of the Bauphoes." to be done for the public tranquility, and at the al representation; which I confidered to have hee of the Burghous."

Such were my featiments on reading the prefent conditution for the first time at Fribuary. I have five any featiments on partial statements of the seconditution for the first time at Fribuary. I have not remains the more just, as I found that the Austrian praised this Confliction, and I have riolated in my perfon, on the 16th of this month, at 11 at night. Ought I to make a formal denue. at 11 at night. Ought I to make a formal deem ciation to the legislative hody, or infert a copy of my letter and complaints in the public papers: Such was the queffion I proposed to submit to citi-Such was the question I proposed to feature to exist and kaineds and Riccords, whom I had forgaredly known, and with whom I had forgaredly known, and with whom I had forced in habits of indicating hadrace my capativity in Audits. We had not met above a quester of an bore, when I had featerly fluished the trading of my letter, when as sensed force fourconded the haufe, and reaso others, whole names I do not remember, as well as the protection of the hand, who cannot be a supported of the hands, whole cannot in the control of t

lites my remains the more july at I found the the Audition prolifed this Condition, and I have been the Audition prolifed this Condition, and I have creen there able to support the idea of incling my-lifel in unified with the eccuries of my country.

On arriving in France, however, I altered in found organ my language, bearded I floud that the participation of the most of the state of the sta estated, was abstract. The commission-ol-the-samed force invited-me to follow him to the furth-of the missifer of the pectral police, from whence I was condected to the boale of the faid comman-der, and afterwards to the prilin of the Abbaye. I was the position to the prilin of the Abbaye. I was when I was the top without recoving the condected of my apprehension, though these who condected to there, faid is was a maxime of general fatery. If the public trangetiny demands my imprilin-ment, I am ferifished; sed I have my country too n uch to compisit of that which may be useful to n uch to compisit of that which may be useful to n. It mixture not to me hav I ferre it, whence in the duling my bland in its defence, or in law or, or as now, in the abode of infamy, provided that my commy be fire and happy—I are conten-ed. I flush cor make the air resonad with the ac-cents of indignation, nor the complaints which I the in the control of the and happy—I are contract.

I that even make the air removed with the account of the contract of the out the whole extent of the Republic dis and in-regrit Republicans are enter mentional without fome oddous qualifications: if a man of the mad pure intentions declares bledel boddy in fareor of liberty, he is immediately raised in the class of mentions and, by a revoluting coated, while the profiles of the revolution are perfected, those who have always been difficuented. the politic of the revolution are perfectured, whose who have always been difficiently did not remain, the Epoilth, the Agitators, the Priefs, and even the Emigrants, copys shauered prediction, indeed fach otherwations at I had been led to make in various departments, were not calculated to leffen the anguidh I fell in feering the pronountil of the Government towards. Royalty, or, at lead, but Autilionatery. May heart was at the functions penetrated by ferrow and by Republican zeal; and unable to oppose fusicient efrous to the retrogate, motion of the revolution, I became defines to giving in my refignation, and returns on

my country; and L@r my felf honored in belonging to a people when I regarded as the molt carry of the moltand of musting and the molt carry of the moltand of musting and the moltand of t
