ARCHITECTURAL SIGNIFICANCE (describe important architectural features and evaluate in terms of other buildings within community)

The house appears similar in detailing to two brick houses on Glendale Ave., which is located north of this property, down the hill, and all were probably constructed by Mr. Lynch

HISTORICAL SIGNIFICANCE (explain the role owners played in local or state history and how the building relates to the development of the community)

This large brick house was built in the latter part of the 1890's by Daniel Lynch, a mason, for his own residence.
