9. Historical significance (include explanation of themes checked above)

A plan for Orchard St. and residential lots was filed in 1897 by Sidney A. Clark and Josiah S. Graves, owners of adjacent Bridge St. homesteads, and H.R. Hinckley, the owner of a large parcel of land off North St. The street was quickly developed, mostly with two-family residences.

This large one-story house is interesting for its porch detailing and fanciful corner tower.
