9. Historical Significance (include explanation of themes checked above)

History: The property at 300 Elm Street was purchased by Harvey Antil in 1939. See notes on that property. Antil converted the large barn on the property into a two family dwelling. In 1973 he sold the house at 300 and front half of the lot, retaining ^c access from Elm street. In 1950, approximately, he put a small addition on the building
